

RESOLUTION

WHEREAS, the Board of Trustees has examined materials provided by the President of the university relative to a proposed program leading to the M.S. in Bioinformatics; and

WHEREAS, the Board is satisfied that the proposed program is within the mission of the university, has received favorable independent external review, is not unduly duplicative of other programs offered in the State of New Jersey and that the proposed program has been the subject of a Program Announcement issued to institutions of higher education in the State of New Jersey, and further that the proposed program requires no significant additional resources; and

WHEREAS, the Board of Trustees attests to the foregoing;

NOW, THEREFORE, BE IT RESOLVED, that the Board of Trustees approves the M.S. in Bioinformatics.
