Application for Transfer and Readmission to Undergraduate Admission

Instructions
Please be sure to read all information and instructions carefully before completing your application.

Submitting your application
Completed application forms should be returned to the Office of University Admissions with a non-refundable application fee of $70. Make your check or money order payable to New Jersey Institute of Technology. You may submit your application electronically via our website: www.njit.edu/admissions/apply-online.php

Academic Records
All academic records must be sent directly from the institution where courses were taken to the Office of University Admissions at NJIT, University Heights, Newark, NJ 07102-1982. Transcripts must bear the school seal. Unofficial transcripts are not acceptable.

Albert Dorman Honors College
Students with exceptional records of academic achievement may be eligible for admission to the Albert Dorman Honors College. Be sure to complete the Honors application (Part VI) and submit to the Honors College.

Transfer Applicants
A student applying for admission as a transfer student is someone who has attended a college or university following graduation from high school. These applicants should complete Parts I, II (Section A), III, IV and V. In addition, transfer students must request that official transcripts be sent directly from each institution the student attended. Transcripts should be sent to the address indicated in “Academic Records” (above).

Students applying to the programs in the College of Art & Design are required to submit a portfolio of creative work to be considered in the admissions process. The portfolio submission requirements can be found at art.njit.edu/admissions/

SAT scores and high school transcripts may be required of transfer students who have completed less than two full years (64 credits) of college level work.

The transfer application deadline for all programs for the fall semester is June 1. The application deadline for all programs for the spring semester is November 15. Those students who apply early can benefit from advance course selection, cooperative education/internship placement, and priority for financial aid.

Students who have attended foreign institutions of higher education must also submit an evaluation of their work from World Education Services, Inc. (www.wes.org) or another approved evaluation service. Academic departments reserve the right to make final decisions on the acceptance of foreign transfer credit.

Readmission Applicants
Students who have been officially accepted at NJIT, have attended classes and earned grades, and then have not attended NJIT for a period of at least 1 semester must apply for readmission. These applicants should complete Parts I, II (Section B), III, IV, and V.

The readmission application deadline is August 1 for the fall semester and November 15 for the spring semester. Files not complete by the deadline will be withdrawn from consideration; at the applicant’s written request, they may be updated to the following semester.

International Applicants
A person applying to NJIT as an international student is an individual who is neither a U.S. citizen nor a permanent resident. Due to the additional time necessary to evaluate international student credentials, it is recommended that students begin the application process at least six months prior to the beginning of the semester in which they wish to commence their studies. These applicants should complete Parts I, II (Section C), III, IV, and V.

The required credentials for international transfer applicants include:
- An evaluation of the transcripts from World Education Services, Inc. (www.wes.org) or another approved evaluation service (www.naces.org/members.htm)
- An affidavit of financial support with bank verification
- An official “Test of English as a Foreign Language” (TOEFL) score report (minimum score of 79 for the Internet-based test) or official International English Language Testing System (IELTS) score report (minimum score of 6.0).
- A photocopy of the picture page of the applicant’s passport
- Although not required, it is recommended that students submit notarized copies of university transcripts.

Essay Topic for Transfer Applicants:

(including current NJIT students): Write an essay in which you give a specific and definite plan for your honors education at NJIT. Your essay must cover the following points: (1) Honors courses you have taken, and those specifically you plan to take; (2) research, internships, or similar projects you have completed, and those you would specifically like to participate in; (3) service and other activities within NJIT or your current undergraduate college, and specifically those you would like to continue or begin; and (4) whether you plan to enroll in a minor or second major. The essay should explain specifically how membership in the Honors College will help you to attain academic and professional excellence. This essay is the most important part of your application.

In addition to the essay, attach a separate sheet:

• List extracurricular, community, and service activities in which you have engaged.
• List any projects and research related to your curriculum in which you have engaged.
• List any Honors courses taken and grades achieved. Distinguish between those taken at NJIT and those taken elsewhere.

In short, we ask applicants to the Honors College to have achieved the same level of excellence as those currently in the program. If an applicant falls somewhat short of these requirements, he/she may be asked to spend one or two semesters demonstrating the capability to handle honors by taking honors courses, participating in service activities, and attending honors colloquia, before being fully admitted to the Honors College.
