

Career Development Services

NJIT Campus Champions Network

Support NJIT and Your Employer

Join our Campus Champions Network to stay actively involved with NJIT while facilitating an important staff sourcing and talent development role for your current employer. The network is designed to strengthen the relationship between NJIT and your company. Join hundreds of engaged alumni who realize a tremendous benefit in promoting NJIT (1) as a top tier entry-level recruitment school and (2) as a resource for the design and delivery of customized on-site training and education programs which keep professionals at the cutting edge of skills and knowledge.

Career Development Plus

Campus Champion Networks operate successfully at hundreds of universities across the United States. They serve as an invaluable resource for near and recent college graduates seeking to begin their careers. Additional Campus Champion roles, for those interested, may include participation in college networking forums, service to advisory boards, participating in career panels/programs, mentoring, and a resource to share information about scholarship programs.

Our Pledge to Support You

Career Development Services (CDS), the Office of Alumni Relations, and the NJIT Alumni Association are fully committed to delivering a highly productive and personalized recruitment experience for every Campus Champion. This added-value program is designed to recognize those alumni who maintain a consistent, ongoing relationship with NJIT. Our Campus Champion Network includes:

Express Recruitment Access

Campus Champion Networks greatly benefit organizations desiring an access pipeline to the very best and brightest students and graduates. For your urgent job openings, CDS will deliver a customized Job Alert e-mail to its base of qualified alumni and students within 24 hours.

Champions Tool Box

All of the information resources that you will need to facilitate your Champion's role will be packaged for you in one easy-access web location. At your fingertips will be the CDS employer events calendar highlighting top events such as career fairs and on-campus recruitment. Also included will be NJIT enrollment, rankings and graduation data, graduates, salary information, NJIT business resources, top employers' listings and the cooperative education and intern supervisor's guide.

Champions Connections

Campus Champions are offered personal assistance in locating and accessing specific NJIT faculty, departments, student organizations, Continuing Professional Education, and NJIT business services.

Champions Training

CDS provides on-going personal and web-based training and development sessions for those Champions seeking guidance on facilitating their role. Topics covered include best-in-class recruitment methods, partnering with HR, profiles of today's college students, supporting your organization's talent development and retention strategies, and more.

Invitation to Special Forums

Campus Champions are given priority seating for CDS career seminars. Gain corporate recognition by joining or sponsoring workshops, panels, presentations and information sessions.

Enroll Now

Participation is easy, the time commitment is minimal, and the impact can be extraordinary. Join the corps of NJIT Campus Champions.

Build a Better Partnership
