NJIT RECRUITMENT PARTNER PROGRAM

Join our Recruitment Partner Program for benefits and services from NJIT Career Development Services (CDS). This invitation-only program is designed to strengthen the relationship between NJIT and your company. The program is free. Enrollment is easy.

Extra Services and Extra Benefits

Career Development Services (CDS) is fully committed to delivering a highly productive and personalized recruitment experience for every employer. This added-value program is designed to recognize those employers that maintain a consistent, ongoing relationship with NJIT. Our Recruitment Partner Program includes:

Express Candidate Searches – For your urgent job openings, CDS will deliver a customized Job Alert e-mail to its base of qualified alumni and students within 24 hours.

Free Salary Survey – This valuable report, published by NJIT twice each year, provides you with insight into entry-level salaries for technology positions in our region.

NJIT Campus Connections – Your CDS contact provides direct access to NJIT faculty, departments, student organizations, Continuing Professional Education, and NJIT business services (including New Jersey Manufacturing Extension Program, Center for Information Age Technology, and the Economic Development Center).

Free CDS Recruitment Organizer – Easily store and reference your recruitment information, events, candidates and reports in this attractive portfolio.

Recruitment Partners E-Board – Participate in the RPP online user group to share feedback with other recruitment partners on important services, trends, and best practices.

Participation in Technology Trials – You'll be invited to participate in trial programs as we apply cutting-edge technology to enhance the interview and recruitment process.

Invitations to Special Interest Forums – Join us as we host highly interactive forums with business leaders, sharing insights on trends and issues.

Quarterly E-Bulletins – Receive our quarterly employer bulletins and special updates covering job recruitment, NJIT research, employment trends, and other relevant information.

Special Requests – As a valued Recruitment Partner, CDS will gladly accommodate your special requests and provide extra support as needed.

Plus benefit from our exceptional service for on-campus recruiting, internship and co-op program development and staffing, online job postings, and community-investment projects.
