Financial Aid Request - Summer Session

IMPORTANT!

To be eligible for summer aid, you must meet the following criteria:

- Be registered for summer courses and be matriculated at NJIT;
- Meet the minimum standards for Financial Aid Satisfactory Academic Progress (SAP), which is determined after Spring Semester grades are posted;
- Submit completed application to SFAS—located in Student Mall—by **July 16**.

Federal Pell Grant & Federal SEOG

If you were a part-time student during the academic year, or attended only one semester, and were eligible for a Pell Grant, you may have remaining eligibility for summer. You will automatically be considered for a Pell Grant if this is the case. If you qualified for SEOG during the academic year, you may qualify for SEOG for summer.

NJIT Summer Grant

NJIT has limited grant funding to assist students in financing the cost of the Summer session. Funds will be awarded based on financial need, number of applicants, and available funding.

Loans

1. You must enroll for **at least 6 credits** to be eligible for loan funds. Credits taken during any summer terms are combined to determine your level of enrollment.
2. If you received loan funds during the academic year, summer eligibility is limited to the grade-level maximum minus the amount already received. For example, if the grade-level maximum is \$5500, and you received \$3500 for the academic year, your maximum summer eligibility is \$2000. If you received the \$5500 during the academic year, you are not eligible for a summer loan. The actual loan you may receive is based on the cost for the credits and term enrolled.
3. Federal Direct PLUS (parent loans) and NJCLASS loans are available if you do not qualify for a direct loan. A credit-worthy applicant is required to apply for these loans—a parent in the case of the PLUS or a credit-worthy co-signer for the NJCLASS.
4. Loan requests must be submitted **4 weeks before** your last day of classes.
