Federal regulations require that all students who receive financial aid meet the Satisfactory Academic Progress (SAP) standards. A student who does not meet the SAP standards is not eligible for financial aid. In order to re-establish financial aid eligibility, you must complete a Satisfactory Academic Progress (SAP) Appeal and submit with required supporting documentation. A student may only appeal if the failure to make Satisfactory Academic Progress was due to extenuating circumstances. For more information on the Satisfactory Academic Progress requirements, please see NJIT’s policy on Satisfactory Academic Progress.
