

The Office of Student Financial Aid Services is delighted to share the news that funding for “Year-Round Pell” is now available! This means that students can receive an additional Pell Grant award during the summer term; the amount of the summer Pell award will depend on the number of credits taken during the summer. This will allow you to stay on track for graduation or even to complete your undergraduate degree early.

Eligibility criteria for the additional Pell Grant are the following:

- Received 100% of Pell award used during the 2017-2018 academic year
- Summer enrollment of at least 6 credits (for summer this can be 3 credits in full, first, or middle session and 3 credits in second session)
- Pass the standards of Satisfactory Academic Progress (annual assessment occurs after Spring grades are posted)

Students who do not meet the eligibility criteria for the additional Summer Pell award, can still apply for other aid.
