

All students applying for Curricular Practical Training (CPT) should attend the workshop offered by the Office of Global Initiatives (OGI) and Career Development Services (CDS) and consult with an adviser at the CDS prior to applying for CPT.

DEFINITIONS

According to the federal regulations (8 CFR, §214.2 (f)): CPT is a type of off-campus employment authorization which permits international students with F-1 visa to fulfill their degree program requirement. It is important to understand that CPT is “an integral part of an established curriculum”.

Employment for 20 hours or less per week is considered part-time CPT. Employment for more than 20 hours per week is considered full-time CPT.

LIMITATIONS

There is no limit on how much part-time CPT students can do without affecting their Optional Practical Training (OPT) eligibility. More than 364 days of full-time CPT will cancel a student’s eligibility for OPT.

ELIGIBILITY

- ✓ You are a degree candidate who has been in lawful status as a full-time student for at least one academic year (fall and spring semesters).
- ✓ You must maintain full-time status while on CPT.
- ✓ You must get all the necessary approvals to qualify for CPT.
- ✓ You must obtain work authorization prior to the beginning of employment.
- ✓ You must have a job offer directly related to your major.

APPLYING FOR CPT

In order to apply for CPT you must:

- ✓ Fill out the CDS’s Learning Agreement Form; you must secure all the required signatures.
- ✓ Fill out the OGI’s CPT form; you must secure all the required signatures.
- ✓ If you will not be enrolled full time due to full-time CPT, submit the Adviser Form for Full Time Certification. You cannot take a CPT course by itself.
- ✓ Register for the course related to your co-op.

In order to process your CPT request you must drop off the following documents at the OGI office:

- CDS Learning Agreement Form
- OGI CPT form. Must be the most recent version of the form. Check our website.
- Copy of your employment letter

Processing time will take up to 7 business days and a new I-20 will be issued for you. You are not eligible to begin work until you receive an I-20 with CPT authorization and the CPT start date arrives; if you work before this, your F-1 status will be terminated.
