Subject: NJIT: Notice of Dismissal  
To: All students whose academic records show the message “SUBJECT TO ACADEMIC DISMISSAL”

Dear Student_Name,

A review of your academic record indicates that you have not performed satisfactorily. As a result, you are subject to academic dismissal from NJIT.

According to NJIT's academic policies and procedures, students may be dismissed for such causes as:

- Failing to maintain a cumulative GPA (grade point average) of at least 3.0 after completing one semester or attempting at least 9 credits.
- Failing to make satisfactory progress toward a degree.
- Failing to meet the requirements for graduation.
- Failing a required or repeated course more than once.

If your cumulative GPA is below 2.8 and you have accumulated at least 18 credits, you may appeal the dismissal decision by contacting your academic advisor. If your advisor accepts your appeal, an appropriate academic plan must be developed to raise your cumulative GPA in Fall 2015. Your advisor must then submit the plan to the Office of Graduate Studies for approval before the beginning of the Fall 2015 semester. Otherwise, you will not be allowed to attend classes.

If your cumulative GPA is greater than 2.8 or you have accumulated less than 18 credits, you are still expected to seek your academic advisor's input for Fall 2015 registration.

Please note that if you are receiving financial aid, your aid status may be impacted by your current academic record. If you have not achieved the Satisfactory Academic Progress (SAP) standards for financial aid, you will be contacted by the Financial Aid Office. Details regarding the financial aid appeal process will be included in that correspondence.

Sincerely,
Office of Graduate Studies  
New Jersey Institute of Technology
