Greetings, Golfers and Friends of NJIT

Dear Friends,

The Highlander athletic program is continuing its ascent to the NCAA's highest level of competition - Division I. This move has proved challenging for our staff and student athletes as they balance rigorous academic schedules with the more demanding athletic schedules found in Division I.

Using NJIT's high academic standards as a guide, we have pursued, and are attracting the best and brightest student athletes. Our ability to attract students, who excel in and out of the classroom, forms the base for NJIT to continue producing excellent, high achieving graduates throughout the science, technology, and other educational fields.

We are working to merge the athletic and academic worlds, by trying to provide for our scholar athletes so they can enjoy a well rounded collegiate experience in and out of the classroom. The funds from this golf outing are used exclusively to help advance and support our student athletes so they can continue in their quest to be the very best.

Please take a moment to review the various levels of sponsorship in this brochure. Select one and join us for a round of golf at the beautiful Cedar Hill Golf and Country club.

Thank you and I look forward to seeing you on Monday Oct. 1, 2007.

Lenny Kaplan
Athletic Director
