ELIGIBLE DEPENDENTS

- **Spouse** — A member of the opposite sex to whom you are legally married. A photocopy of the Marriage Certificate and additional supporting documentation are required for enrollment.

- **Civil Union Partner** — A person of the same sex with whom you have entered into a civil Union. A photocopy of the New Jersey Civil Union Certificate or a valid certification from another jurisdiction that recognizes same-sex civil unions and additional supporting documentation are required for enrollment. The cost of civil union partner coverage may be subject to federal tax.

- **Domestic Partner** — A person of the same sex with whom you have entered into a domestic partnership as defined under Chapter 246, P.L. 2003, the Domestic Partnership Act. The domestic partner of any State employee, State retiree, or an eligible employee or retiree of a participating local public entity that adopts a resolution to provide Chapter 246 health benefits, is eligible for coverage. A photocopy of the New Jersey Certificate of Domestic Partnership dated prior to February 19, 2007 (or a valid certification from another State or foreign jurisdiction that recognizes same-sex domestic partners) and additional supporting documentation are required for enrollment. The cost of same-sex domestic partner coverage may be subject to federal tax.

- **Children** — In compliance with the federal Patient Protection and Affordable Care Act (PPACA), coverage is extended for children until age 26. This includes natural children under age 26 regardless of the child’s marital, student, or financial dependency status. A photocopy of the child’s birth certificate that includes the covered parent’s name is required for enrollment.

For a stepchild provide a photocopy of the child’s birth certificate showing the spouse/partner’s name as a parent and a photocopy of marriage/partnership certificate showing the names of the employee/retiree and spouse/partner.

Foster children and children in a guardian-ward relationship under age 26 are also eligible. A photocopy of the child’s birth certificate and additional supporting legal documentation are required with enrollment forms for these cases. Documents must attest to the legal guardianship by the covered employee.
Coverage for an enrolled child ends on December 31st of the year in which he or she turns age 26. A COBRA Enrollment Application will be mailed to the parent of the dependent to continue coverage up to a maximum of 18 months.

**Dependent Children with Disabilities** — If a child is not capable of self-support when he or she reaches age 26 due to mental illness, mental retardation, or a physical disability, he or she may be eligible for a continuance of coverage. To request continued coverage, contact the Office of Client Services at (609) 292-7524 or write to the Division of Pensions and Benefits, Health Benefits Bureau, 50 West State Street, P. O. Box 299, Trenton, New Jersey 08625 for a *Continuance for Dependent with Disabilities* form. The form and proof of the child’s condition must be given to the Division no later than 31 days after the date coverage would normally end. Since coverage for children ends on December 31 of the year they turn 26, you have until January 31 to file the *Continuance for Dependent with Disabilities* form. Coverage for children with disabilities may continue only while (1) you are covered through the SHBP, and (2) the child continues to be disabled, and (3) the child is unmarried, and (4) the child remains dependent on you for support and maintenance and lives with you. You will be contacted periodically to verify that the child remains eligible for continued coverage.

**Over Age Children Until Age 31** — Certain children over age 26 may be eligible for coverage until age 31 under the provisions of Chapter 375, P.L. 2005, as amended by Chapter 38, P.L. 2008. This includes a child by blood or law who is under the age of 31; is unmarried; has no dependent(s) of his or her own; is a resident of New Jersey or is a full-time student at an accredited public or private institution of higher education; and is not provided coverage as a subscriber, insured, enrollee, or covered person under a group or individual health benefits plan, church plan, or entitled to benefits under Medicare.

Under Chapter 375, an over age child does not have any choice in the selection of benefits, but is enrolled for coverage in exactly the same plan or plans (medical and/or prescription drug), that the covered parent has selected. The covered parent or child is responsible for the entire cost of coverage. There is no provision for dental or vision benefits.
