

# NJIT

## STANDARD 7

### INSTITUTIONAL ASSESSMENT

NJIT strategic planning process is systematically informed through

- Balanced scorecard and milestone assessment reports
- Surveys results communicated to major campus constituencies
- Benchmarking comparisons of public and private peers

ViSTa, A Strategic Planning Process for NJIT: Vision-Strategy-Tactics

- Based on broad-based shareholder involvement
- Designed as a cohesive, evidence-based framework for strategic planning process
- Adherence to Smart guidelines
- Used in NJIT strategic planning
- Used in the NJIT self-study

NJIT adheres to a culture of strategic planning

- *NJIT Strategic Plan, 2004-2010*
- *NJIT Strategic Plan, 2010-2015*
- *Albert Dorman Honors College Strategic Plan*
- *College of Architecture and Design Strategic Plan*
- *College of Computing Sciences Strategic Plan*
- *College of Science and Liberal Arts Strategic Plan*
- *Newark College of Engineering Strategic Plan*
- *School of Management Strategic Plan*

Strategies for the Future

- NJIT will bring consistency into the planning process in order to enhance project tracking and leverage strategies and tactics for success at the unit level;
- NJIT will develop and use a formal mechanism to ensure all planning models across the university include clearly articulated accountabilities, timelines, anticipated outcomes, follow-up mechanisms, and reporting strategies.
