

* Required Information

The NJIT Office of Sustainability (OS) wants to better understand our community's sustainability culture, attitude, and commuting behavior. This survey will help the OS compile data on NJIT's carbon emissions and assist in programming events aimed to increase sustainability. We greatly appreciate your help in making NJIT a more resilient, carbon-neutral campus.

* 2- Which of the following best describes you? (Select one option)

- I live on-campus.
- I live off-campus.

NOTE : IF ANSWER TO Q2 is
I live on-campus. Continue to next question
I live off-campus. Continue to next question
If Did Not Answer Then Go to Page No. 3

NOTE : Answer the below question only if answer to Q#2 is I live on-campus.

3. You indicated that you live on-campus. Have you participated in any sustainability-related practices in your residence hall? (Select one option)

- Yes
- No
- Unsure/Don't know

NOTE : Answer the below question only if answer to Q#3 is Yes OR Unsure/Don't know

4. What sustainability-related practices have you participated in at your residence hall?

NOTE : Answer the below question only if answer to Q#2 is I live on-campus.

5. How important was the availability of recycling facilities and sustainability initiatives in your choice of residence hall? (Select one option)

- Not Important
- Slightly Important
- Important
- Fairly Important
- Very Important

6. On average, how many one-way trips do you make to campus each week using all modes of transportation? (e.g. commuting to and from campus 4 days = 8 trips)

7. How many miles is your commute to campus each trip?

8. Please provide a rough estimate for what percentage of your trips are taken using each transportation method (e.g., Bike 50%, Carpool 50%). Your estimates should add up to 100%.

Alone in a car (e.g., traditional, hybrid, plug-in, etc.): _____

Bike: _____

Carpool: _____

Public bus: _____

Commuter rail: _____

Light rail: _____

Walk: _____

Zero-emission vehicle: _____

Other method(s): _____

Total: _____

9. List one word that come to your mind when you hear the word sustainability.

10. How often do you engage in each of the following sustainability practices on-campus?

	Never	Rarely	Sometimes	Often	Always
(a) Recycle	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(b) Turn lights off when leaving your office or room	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(c) Limit food waste	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(d) Use reusable bags	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(e) Attend sustainability-related events on campus	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

11. How do you find out about campus events? (Check all that apply)

- Through Highlander Hub
- From friends
- Through social media
- From professors
- Campus publications (e.g., flyer, brochure, digital displays, etc.)
- Other (Please specify) _____

12. How often do you buy Eco-friendly products? (Select one option)

- Never
- Rarely
- Sometimes
- Often
- Always
- Unsure/Don't know

13. Do you learn about sustainability ideas and practices from the following sources? (Select one option)

- My department
- My faculty advisor(s)
- My professors
- Local community organizations
- Student club activities
- My peers
- Other (Please specify) _____

14. How much do you agree or disagree with the following statements?

	Strongly disagree	Somewhat disagree	Neither agree nor disagree	Somewhat agree	Strongly agree
(a) It is important to me that the campus leaders make sustainability a top priority.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(b) Practicing sustainability behavior like recycling, car-pooling, turning lights off, and buying local is important to me.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(c) I believe I have the ability to advocate for sustainability practices, ideas and projects at NJIT.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(d) If I had a sustainability project in mind, I know whom to contact to see it implemented.	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>
(e) I know about the Office of Sustainability at NJIT. (https://www.njit.edu/sustainability)	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>	<input type="radio"/>

15. Which of the following sustainability initiatives do you think NJIT should pursue? (Check all that apply)

- Additional recycling opportunities/education
- On-campus composting
- Zero waste events
- More courses related to sustainability
- Alternative modes of transportation
- Accessibility to alternative modes of transportation
- Adopt a climate action plan and/or sustainability master plan to guide NJIT's sustainability efforts
- Other (Please specify) _____

16. Which of the following barriers apply to you when it comes to participating in sustainability-related efforts at NJIT? (Check all that apply)

- I do not have enough time to participate.
- I do not know what I can do to help.
- I do not feel as though my participation is encouraged by my academic program.
- I do not feel as though my participation will make a difference.
- Sustainability is not a high priority at NJIT.
- Sustainability is not a high priority for me.
- The cost to participate is too high.
- Other (Please specify) _____

17. NJIT is pursuing the path of becoming a carbon-neutral campus. List some things you can do to help NJIT achieve its carbon neutrality goal.
