

Statement of Accreditation Status

NEW JERSEY INSTITUTE OF TECHNOLOGY

The Middle States Commission on Higher Education (MSCHE or the Commission) is one of seven regional accrediting organizations in the United States and is recognized by the U.S. Secretary of Education and the Council for Higher Education Accreditation (CHEA). MSCHE is an institutional accreditor, therefore, it examines and reaffirms accreditation for each of its member institutions as a whole, rather than the specific programs within the institution. MSCHE does not approve individual programs. MSCHE accreditation does not expire but is reaffirmed at the time of the institution's next review.

The Statement of Accreditation Status (SAS) is the Commission's official public statement about each institution's current accreditation status and scope of accreditation. The SAS also provides a brief history of the actions taken by the Commission.
