Setting Up Your UCID and Password

Your UCID (University Computing ID) serves as your login account for most computing services on and off-campus. When you create a UCID, you will also be given a default NJIT email account, which is your primary means of contact with professors and with the university.

To set up your UCID and password, go to:
ist.njit.edu/UCID

To reset your PASSWORD, go to:
mypassword.njit.edu

Highlander Pipeline

Your UCID and password also give you access to the Highlander Pipeline, the campus portal. It contains links to class registration, your transcript, financial aid, and billing services, as well as email, Moodle, calendars, and information sites for each of your courses. It is also used for important announcements and other news for the NJIT community.

See Your Course Schedule

Course schedules are provided through your Highlander Pipeline. You can view it using the steps below.

**STEP 1:** Go to NJIT.edu and click on MyNJIT at the upper menu.

**STEP 2:** Enter your UCID and password.

**STEP 3:** Click on the Student Services tab to see your current courses.

**STEP 4:** Click on Banner Self Service.

**STEP 5:** Click on Student.

**STEP 6:** Click on Registration.

**STEP 7:** Click on Week at a Glance.
Registration Holds

Before you register for classes, it is important to make sure that you do not have any holds on your account. Having a hold will prevent you from registering, as well as receiving grades and transcripts. Make sure you understand the different types of holds and take the appropriate steps to remove them.

Freshman Hold
You will receive this hold on your account to prevent unauthorized changes to your course schedule over the summer. If you require a change to your schedule, you can attend one of our schedule change days.

Academic Advisor Hold
This hold will be added to your account for the course registration period and will only be removed after you have met with your department/major advisor.

Financial Hold
This type of hold is applied if you have outstanding financial obligations to the university. This includes parking fines and tickets, and unpaid tuition and fees. The hold is removed within two hours of the payment being made in full.

Athletic Hold
All student athletes receive this hold, and must speak with their athletic advisor to have it removed.

International Hold
International students have this hold placed on their account until all required forms have been submitted to the university.

How to View Holds
Log on to your pipeline, then click on:
1. Student Services
2. Banner Self Service
3. Student
4. Student Records
5. View Holds

NJIT Go
The NJIT GO app was created to make your life at NJIT a little easier! This smartphone app was designed to give you the information you want, whether you have to quickly find a phone number, find that building you’ve never been to before, check the weather, or find out what’s for dinner at GDS. Download the app from any iOS or Android-enabled device.

For more information, go to: njit.edu/orientation/computing
The Bursar office assesses your tuition and other fees, creates statements, sets up payment plans, and answers any of your other questions regarding finances. The Bursar Office is located in the Student Services Mall, in the basement of the Parking deck. Your tuition bill can be viewed and paid online on the Highlander Pipeline at my.njit.edu.

Merit-Based Scholarships
Your hard work in high school can help pay off your school bills through merit-based scholarships! You will be eligible for dozens, or even hundreds, of scholarships from the university, the state of New Jersey, and other sources including corporations and private donors.

You will automatically be considered for all awards for which you are eligible. Each year, your academic records will be reviewed to determine your eligibility. Most merit-based scholarship programs require that you be enrolled as a full-time student and maintain a minimum GPA of 3.0.

Freshmen who are offered scholarships must acknowledge acceptance by submitting their tuition deposits by May 1. If you continue to meet the criteria for your scholarships, you will get a renewable award letter beginning in June. Additional scholarships are also available for athletes or students in the Honors College.
Need-Based Financial Aid

To apply for federal, state (NJ), and institutional financial aid, you must complete and submit a FAFSA (Free Application for Federal Student Aid) each year that you are enrolled and for which you want to be considered for financial aid.

After you have filed out your FAFSA, you will be notified if you have been selected for verification. Check your NJIT e-mail account often and make sure you submit any additional documents by May 15!

Loans

Education loans may make up a large portion of your financial aid package. Most loans have low interest rates, and let you wait until you graduate to start making payments. You'll get tax breaks on the interest, and they can actually help your credit rating!

Most importantly, these loans help you graduate without having to rely on high-interest loans from private banks or taking time off to save up tuition money.

When you submit your FAFSA, you're automatically considered for education loans, but each type of loan has different eligibility requirements, repayment terms, interest rates, and maximum amounts.

Student Health Packet

The Student Health Packet must be completed by all NJIT students. The Health Packet consists of:

- Immunization form
- Physical form
- Postive TB Test Form

Immunization records should be received by July 15th for students registering for the Fall Semester and by January 15th for students registering for the Spring semester.

Please note: You will not be allowed to register for future semesters until you have submitted the required, completed immunization and physical/examination documents.

The Meningitis vaccine is required for all undergraduate, graduate, and transfer students who are new to NJIT and are new to University housing. If you plan to live on campus, you will not be allowed to move into on-campus housing if you have not submitted proof of Meningitis vaccination.

Download the health packet at: njit.edu/healthservices

Health Insurance

NJIT requires that all full-time, undergraduate students carrying 12 or more credit hours and F1 and J1 international students carrying 3 or more credit hours have current health insurance. These students are automatically enrolled in the school-sponsored Student Health Insurance Plan. If you already covered and wish to waive the NJIT insurance, you may do so at: njit.edu/bursar/waive-insurance

Buying Textbooks

Finding the books you need
Before classes start, it is important to start looking up what textbooks you will need. You can do this by going on the NJIT Bookstore website. There, you will be able to find your required textbooks by course and section number. Use this link to access the Bookstore website: www.bkstr.com/njitstore

Buying or Renting
You can either buy or rent your textbooks. If you buy your book, you have the option of buying it brand new or used (which will be cheaper!). At the end of the semester, you will also be able to re-sell most book. If you choose to rent your book, it will be considerably cheaper than buying it, but you have to return it by a certain deadline, and you won’t be able to re-sell it.

Other Ways to Get Textbooks
Other than the bookstore, there are few other ways to get your books for the semester.

Online stores
Websites such as Amazon, Barnes and Noble, and Chegg may offer cheaper or used versions of your textbooks. These sites also allow you to compare prices from a variety of sellers so you can select the cheapest option.

Upperclassmen
Students who have previously taken your courses in the past may want to sell their old textbooks. Check the Facebook group for posts from upperclassmen!
Apply for Parking
In order to take advantage of NJIT parking lots, you must register your vehicle with the Security Systems, Photo Identification & Parking Services Office. Residential students will be given a tag that must be displayed on your car when parking.

Student Parking Lots
Parking decks are located at 154 Summit St. and 42 Wilsey St. You can also park at Lot #10 at 46 Wilsey St. For your convenience, you are encouraged to use the parking availability system to find parking: mobile.njit.edu/parking

Transportation Options

Shuttle Bus
A free shuttle service is available with a valid NJIT ID. Routes go to Newark Penn Station, Rutgers Newark, New Jersey Medical School, Essex County College, and various locations in Harrison and Kearny.

The NJIT bus stop is on Warren Street, across from Laurel Hall. Times for stops and maps, can be found here: nwkparking.rutgers.edu/shuttleservice

Newark Penn Station
Connections to the NJIT campus may be made by bus, Newark light rail, NJ Transit, PATH Train or taxi.

Light Rail
The Newark Light Rail is a light rail system serving the city of Newark. The Warren Street light rail station is on Lock Street next to campus. Visit NJTransit.com for more information.

Zipcar
NJIT offers a Zipcar car sharing program on campus. You can join for $15, with rates for Zipcar vehicles on campus starting at $7.50 per hour and $69 per day.

After the first year, members will pay an annual membership fee of $25. Gas, insurance and up to 180 miles of driving per day are included in Zipcar rates, and cars can be reserved for an hour or for multiple days. Join online at zipcar.com/NJIT. Zipcars are located at the Greek Village.

Light Rail Fare
Underground fare tickets cost $0.75 to and from Newark Penn Station.

However, they are not accepted when leaving Penn Station between 4pm and 6pm.

One-way tickets, which cost $1.50, are accepted between those hours.
Over 2,000 undergraduate and graduate students live on campus in one of five residence halls. Living on campus at NJIT provides an on-campus learning environment that is welcoming to all students and fosters the development of residents through leadership opportunities, educational experiences, and community involvement. To apply for housing, fill out the application at: njit.edu/reslife/apply.php

**First Year Move In Day: August 29, 2018**
The Center for Student Success offers support through placement testing, new student orientation, accessibility support services, supplemental instruction, learning support services, and academic advising.

Feel free to contact or visit the center if you need help navigating NJIT at any point in your educational experience.

**Placement Testing** administers the math placement test, required for all new students to determine your first math course.

**New Student Orientation (NSO)** is a required orientation for all incoming students, and also offers Family Orientation for the parents and family members of new students.

**Academic Advisement** is available at the Advising Success Center (ASC) for students who are undecided in their major, transitioning into another major, and in need of additional support to graduate successfully.

**Office of Accessibility & Resource Services** helps students with testing arrangements, parking and accessibility issues, interpreters, real-time captioning, note-takers, and books-on-tape.

**Learning Support** at the Learning Center (TLC) provides tutorial services, testing accommodations, academic coaching, academic and personal enrichment workshops, and staff/peer support.
**New Student Orientation**

**NSO 1.0** is a mandatory 1-day program beginning in July. Dates are determined by major and give you the opportunity to meet with your academic advisor, learn about resources on campus, get acquainted with campus life, and meet some of your future classmates.

**Family Orientation** runs concurrently to New Student Orientation but on a separate track from NSO most of the day. Our program will highlight transitional issues that your students may experience, as well as provide detailed information regarding and many more resources. Family orientation is optional but strongly encouraged.

**NSO 2.0** occurs at the end of August just before the semester begins. This program helps students further transition into their new educational community and includes Service Day, whereby the entire freshmen class participates in community service throughout Newark. NSO 2.0 is also mandatory!

**Transfer Orientation** is a 1-day program designed to meet the needs of transfer students and allow them to learn more about NJIT.

Every year, NSO sends out applications for new peer leaders to join the team. Look for our application materials in February.

University Code on Academic Integrity

New Jersey Institute of Technology is an institution dedicated to the pursuit of knowledge through teaching and research. The university expects that its graduates will assume positions of leadership within their professions and communities. Within this context, the university strives to develop and maintain a high level of ethics and honesty among all members of its community. Imperative to this goal is the commitment to truth and academic integrity. This commitment is confirmed in this NJIT university an Academic Integrity.

Plagiarism
Plagiarism is copying texts or images and using someone else’s work without giving credit. Plagiarism is not a crime but can be considered a form of “fraud” and is definitely considered as cheating. Taking parts of an old research paper turned in last year for a current assignment, copying material from the internet and not appropriately citing it is an act of plagiarism. A fact is a fact but word for word copy of information out of Wikipedia is also a form of plagiarism.

Cheating
Intentionally using, providing or attempting to use or provide unauthorized assistance, materials, information or study aids in any academic exercise, or preventing, or attempting to prevent, another from using authorized assistance and/or materials. Intentionally or knowingly helping or attempting to help another person commit an act of academic dishonesty.

The use of a phone for any reason during an exam results in an immediate violation of the Academic Integrity Policy.

If you are aware that cheating is taking place during any of your classes, it is also your responsibility to report behavior to the Dean of Students, professor, and/or the academic department.

Possible Consequences of Cheating or Plagiarism

1) Failure of course
2) Failure of assignment
3) Suspension
4) Reduction in overall grade
5) ‘X’ notation on transcript
6) Expulsion

Tips to Avoid Plagiarism
Identify specific citation information when you paraphrase;
Indicate in your notes where you have injected original thoughts or comments.

Academic Integrity
The complete Academic Integrity code can be found at:

The Campus Center is a central hub that contains many NJIT services such as Gourmet Dining Services (GDS), lounge and study spaces, food counters, as well as offices for Student Senate and clubs. Additionally, there are many events held each day in the Campus Center Atrium, Highlander Pub, and Ballroom.

Game Room
Campus Center Basement
The game room is a space for students to come together and relax. The game room contains a bowling ally, pool tables, and ping pong tables for the students to enjoy during the day.

Highlander Pub
Highlander Pub, Third Floor Campus Center
The Highlander Pub is a eatery for all students to hang out before, between, or after classes. Many commuters meet up with friends, study, catch up on TV shows, or relax here as well. In addition, you will find weekly special events from giveaways, to karaoke, to comedy shows.
Campus Traditions

Spirit Week & Homecoming
NJIT’s week long fall festival for students & their families, faculty, staff and alumni. Join us for a week of campus-wide music, games, food, Men’s and Women’s Soccer and Volleyball. Other Spirit Week activities includes Spirit Swap Night, Roller Skating Rink, Adventure Games, Last Blast of Summer, Highlander Games and Highlander Fest.

Highlander Games
NJIT’s annual competition where teams wearing kilts and face paint compete in crazy games including caber toss, ultimate relays, and some new and exciting games! Open to NJIT students, faculty, staff and alumni!

NJIT Pageant
NJIT students compete for the honor of being NJIT Ambassadors. This fun pageant includes competition in formal and casual wear, talent, and an NJIT related question. The winners receive prizes (i.e. Scholarship money, Senior formal tickets) and go on to represent NJIT at various functions throughout the following year.

Student Appreciation Week
Residence Life gives back to NJIT students with a full week of fun events and discounts. From having Pancakes with the President to 50-cent laundry, both residents and commuters can enjoy!

Renaissance Faire
NJIT’s Renaissance Faire is a festive event featuring performers that entertains crowds with live jousting, fortune telling, tarot card reading and belly dancing. Activities included horse rides, a petting zoo, blow up jousting and foam swords, and a castle bouncy house. Participants could also dress up in costumes and have their picture taken or create their own crown, goblet or shield. This exciting event was sponsored by Residence Life, Gourmet Dining, the Dean of Students Office and the Residence Hall Association.
Involvement

Being a member of a student organization can have a major impact on your Highlander Experience. NJIT offers 100+ professional, identity/outreach, recreational, and honors based organizations and clubs. As a Science and Technology University, academic learning is the primary mission of NJIT, but extracurricular activities will help you learn and grow outside of the classroom.

Fraternity & Sorority Life
Fraternities and sororities have been part of NJIT’s campus life for 90+ years and make up close to 6% of our undergraduate population with 24 chapters and 500+ students. At NJIT, Fraternity & Sorority Life provides opportunities for personal and professional development, civic engagement, and academic enhancement, all while developing close lifelong bonds with their peers.
