SAT Preparation Program

The Center for Pre-College Programs at NJIT will be offering a SAT (Scholastic Aptitude Test) Preparation Program in 2017 for high school students currently in 9th, 10th, 11th or 12th grades. The SAT is the standardized test for college admission and measures students’ preparedness for colleges and universities by improving the critical thinking skills that are essential for success after high school. With ever-increasing competition to get into the best universities, the SAT Preparation Program will help all students succeed on this exam.

The SAT Preparation Program will be taught by certified instructors who will reinforce knowledge already taught in school, and will introduce students to new concepts while providing valuable instruction and review in each SAT content area. The classes will cover grammar, writing, vocabulary, critical reading, mathematical skills, and the best methods to approach questions in all SAT areas. This comprehensive approach ensures that students not only learn strategies to answer every exam question but also focus on specific areas that need improvement. The SAT Preparation Program utilizes an intensive non-traditional methodology, techniques and strategies that will help students become “smarter test-takers.”

Program Schedule—The classes will be held on Saturdays from 9:30 AM until 12:30 PM with the following options:

Winter Session-Registration Will Open on January 2017—(January 2nd – January 23rd)

Spring Session I-Registration Will Open on February 2017—(February 6th – March 3rd)
Saturdays—March 11th, March 18th, March 25th, April 1st, April 8th, 2017.

Spring Session II-Registration Will Open on March 2017—(March 13th – April 10th)

Program Cost—Non-refundable Application Fee—$25 plus Tuition (Information below)

| One Session Tuition--$300 | Two Sessions Tuition--$560 | Three Sessions Tuition--$855 |
