NJSOA STUDENT WINS AUTODESK DESIGN AWARD

NJSOA's Christiano Periera took first place in the 2003 Autodesk Design Award Competition in the building category for "Vellas: Island Resort at Kaua'i. The design was cited for innovation and excellence in the use of computer graphics in architecture. Created in Glenn Goldman's fifth year studio, the resort contained 600 guest rooms, restaurants and retail outlets, and conference and meeting facilities. Designs for landscaping and recreational facilities were also created by Pereira. Below are views of his work.
