NJIT Strategic Plan
2010-2015

New Jersey Institute of Technology
--innovative, entrepreneurial, engaged

Mission

NJIT is New Jersey’s science and technology university, committed to the pursuit of excellence -----

- in undergraduate, graduate, and continuing professional education, preparing students for productive careers and amplifying their potential for lifelong personal and professional growth;
- in the conduct of research with emphasis on applied, interdisciplinary efforts encompassing architecture, design, the sciences, including the health and life sciences, engineering, mathematics, transportation and infrastructure systems, information and communications technologies;
- in contributing to economic development through the state’s largest business incubator system, workforce development, joint ventures with government and the business community, and through the development of intellectual property;
- in service to both its urban environment and the broader society of the state and nation by conducting public policy studies, making educational opportunities widely available, and initiating community-building projects.

NJIT prepares its graduates for positions of leadership as professionals and as citizens; provides educational opportunities for a broadly diverse student body; responds to needs of large and small businesses, state and local governmental agencies, and civic organizations; partners with educational institutions at all levels to accomplish its mission; and advances the uses of technology as a means of improving the quality of life.

Vision

A preeminent science and technology research university known for innovation, entrepreneurship, and engagement.
Core Values

Our core values reflect our beliefs, guide our behavior, shape our culture, and in so doing establish a sense of community and common purpose.

**Excellence**

We pursue excellence in all that we do and will be satisfied with nothing less than meeting and sustaining the highest standards of performance.

**Integrity**

We are honest and ethical in all we do, keep our promises, and acknowledge our mistakes.

**Student-Centered**

We care for our students as individuals and make every effort to build enduring relationships by responding to their needs.

**Civility**

We treat each other with respect and with dignity and communicate frequently and with candor.

**Diversity**

We celebrate the diversity of our university community and are sensitive to cultural and personal differences. We do not tolerate discrimination of any form.

Value Proposition

NJIT provides accessible, affordable education for the scientific and technological professions to a diverse student body, delivers practical research results to its sponsors, and is an active participant in the life of the community in which it lives.

Goals

NJIT's goals are to 1) enhance our educational programs, 2) enhance and focus our research efforts, 3) strengthen our sense of community, 4) enhance our revenue base, 5) impact the economy, and 6) strengthen our efforts in civic engagement.
Strategic Priorities and Objectives

➢ *Enhance the quality of academic and campus life for the university community.*
  • Review, revise, and further implement elements of the Landscape Master Plan
  • Improve the interior condition of buildings with an emphasis on Tiernan and Faculty Halls including laboratories and classrooms
  • Reengineer administrative processes to improve customer and student satisfaction
  • Refine outcomes assessment efforts in student learning to achieve continuous curricular improvement
  • Implement a performing arts component of campus life
  • Complete the initial block of Greek organization town houses (Phase I) in a Greek Village and provide replacement parking
  • Implement the NJIT Campus Gateway Plan according to the Redevelopment Agreement with the City of Newark

➢ *Sustain a base of private support.*
