

ARCHIVED LIST OF RECIPIENTS OF EXCELLENCE IN TEACHING AWARDS

AY 2009-2010

- Excellence in Lower Division Undergraduate Instruction
 - Clenn Goldman, CoAD
- Excellence in Upper Division Undergraduate Instruction
 - Dorairaja Raghu, Civil & Environmental Engineering
- Excellence in Graduate Instruction
 - Jerry Fjermestad, Information Systems
- Excellence in Instruction by a University Lecturer, Senior University Lecturer and/or Program Director
 - Roumiana Petrova, Chemistry & Environmental Science
- Excellence in Instruction by an Adjunct Professor
 - Byron Chen, Electrical & Computer Engineering
- Excellence in Instruction by a Teaching Assistant
 - Shilah Motamedvaziri, Chemical, Biological & Pharmaceutical Engineering
- Professional development
 - Piero Armenante, Chemical, Biological & Pharmaceutical Engineering
- Excellence in Innovative Teaching
 - Katia Passerini, SOM

AY 2008-09

- Excellence in Lower Division Undergraduate Instruction
 - Wei Xu, School of Management
- Excellence in Upper Division Undergraduate Instruction
 - Eric Katz, Humanities
- Excellence in Graduate Instruction
 - Cristian Borcea, Computer Science
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - Thomas Ogorzaleck, School of Architecture
- Excellence in Instruction by an Adjunct Professor
 - Jimmy Hayes, Mathematical Sciences
- Excellence in Instruction by a Teaching Assistant
 - Ashish Dhananjay Borgaonkar, Civil & Environmental Engineering
- Professional Development
 - Candidate withdrew – no award
- Excellence in Innovative Teaching
 - No award
- Special Commendation for Excellence in Teaching and/or Teaching Related Activities
 - Morty Kwestel, Computer Science

AY 2007-08

- Excellence in Lower Division Undergraduate Instruction
 - Taha Marhaba, Civil & Environmental Engineering
- Excellence in Upper Division Undergraduate Instruction
 - Joga Rao, Mechanical Engineering
- Excellence in Graduate Instruction
 - Piero Armenante, Chemical Engineering
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - Jonathan Curley, Humanities
- Excellence in Instruction by an Adjunct Professor
 - Vassilka Kirova, Information Systems
- Excellence in Instruction by a Teaching Assistant
 - Yang Song, Computer Science
- Professional Development
 - Nirwan Ansari, Electrical & Computer Engineering
- Excellence in Innovative Teaching
 - Mark Somers, School of Management
- Special Commendation for Excellence in Teaching and/or Teaching-Related Activities
 - Dorothy Levy, Mathematical Sciences

AY 2006-07

- Excellence in Lower Division Undergraduate Instruction
 - Robert Barat, Chemical Engineering
- Excellence in Upper Division Undergraduate Instruction
 - Laurent Simon, Chemical Engineering
- Excellence in Graduate Instruction
 - Bernard Koplick, Mechanical Engineering
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - Soha Abdeljaber, Mathematical Sciences
- Excellence in Instruction by an Adjunct Professor
 - Jonathan Porus, Mathematical Sciences
- Excellence in Instruction by a Teaching Assistant
 - Xin Wang, Computer Science
- Professional Development
 - Timothy Chang, Electrical and Computer Engineering
- Excellence in Team, Interdepartmental, Multidisciplinary, or Non-traditional Teaching:
 - Nina Pardi, Humanities

AY 2005-06

- Excellence in Lower Division Undergraduate Instruction
 - Bruce Bukiet, Mathematical Sciences
- Excellence in Upper Division Undergraduate Instruction
 - Methi Wecharatana, Civil and Environmental Engineering
- Excellence in Graduate Instruction
 - Haimin Wang, Physics
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - Louise Castronova, Humanities
- Excellence in Instruction by an Adjunct Professor
 - Steve Orosz, Chemical Engineering
- Excellence in Instruction by a Teaching Assistant
 - Filippo Posta, Mathematical Sciences
- Professional Development
 - Amitabha Bose, Mathematical Sciences
- Excellence in Team, Interdepartmental, Multidisciplinary, or Non-traditional Teaching:
 - Ali Abdi, Electrical and Computer Engineering

AY 2004-05

- Excellence in Lower Division Undergraduate Instruction
 - John Bechtold, Mathematical Sciences
- Excellence in Upper Division Undergraduate Instruction
 - Raiv Mehta, School of Management
- Excellence in Graduate Instruction
 - Dimitri Theodoratos, Computer Science
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - James Lipuma, Humanities
- Excellence in Instruction by an Adjunct Professor
 - Michael Hornsby, Civil and Environmental Engineering
- Excellence in Instruction by a Teaching Assistant
 - Ivan Zorych, Mathematical Sciences
- Professional Development
 - Jacob Klapper, Electrical and Computer Engineering
- Excellence in Team, Interdepartmental, Multidisciplinary, or Non-traditional Teaching:
 - Durga Misra, Electrical and Computer Engineering

AY 2003-04:

- Excellence in Lower Division Undergraduate Instruction
 - Deran Hanesian, Chemical Engineering
- Excellence in Upper Division Undergraduate Instruction
 - Bernard Koplik, Mechanical Engineering
- Excellence in Graduate Instruction
 - Janice Daniel, Civil and Environmental Engineering
- Excellence in Instruction by a University Lecturer, Special Lecturer and/or Program Director
 - Joseph Kisutoza, Chemical Engineering
- Excellence in Instruction by an Adjunct Professor
 - John Lyssikatos, Civil and Environmental Engineering
- Excellence in Instruction by a Teaching Assistant
 - Veljko Samardzic, Mechanical Engineering
- Professional Development
 - Murray Turoff, Information Systems
- Excellence in Team, Interdepartmental, Multidisciplinary, or Non-traditional Teaching:
John Carpinelli, Electrical and Computer Engineering

AY 2002-03:

- Lower Division: Undergraduate Instruction
 - Roy Cornely, Electrical & Computer Engineering
- Upper Division: Undergraduate Instruction
 - Rajesh Dave, Mechanical Engineering
- Graduate Instruction
 - Sirin Tekinay, Electrical & Computer Engineering
- Instruction by a Special Lecturer
 - Charles Brooks, Humanities and Social Sciences
- Instruction by a Teaching Assistant
 - Carlo Frugiuele, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Andriy Titov, Mechanical Engineering
- Outstanding Professional Development by a Tenured Faculty Member
 - James McHugh, Computer Science
- Team, Interdepartmental, Multidisciplinary, or Non-Traditional Teaching
 - Norbert Elliot, Humanities and Social Sciences

AY 2001-02:

- Lower Division: Undergraduate Instruction
 - Shin-Yi Chou, Humanities and Social Sciences
- Upper Division: Undergraduate Instruction
 - Robert Dresnack, Civil & Environmental Engineering
- Graduate Instruction
 - James Geller, Computer Science
- Instruction by a Special Lecturer
 - Geraldine Milano, Civil & Environmental Engineering
- Instruction by an Adjunct Professor
 - Joy Siegel, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Raymond Addabbo, Mathematical Sciences
- Outstanding Professional Development by a Tenured Faculty Member
 - Jay Kappraff, Mathematical Sciences
- Team, Interdepartmental, Multidisciplinary, or Non-Traditional Teaching
 - Timothy Chang, Electrical & Computer Engineering

AY 2000-01:

- Lower Division: Undergraduate Instruction
 - Lev Krasnoperov, Chemistry
- Upper Division: Undergraduate Instruction
 - Dale Gary, Physics
- Graduate Instruction
 - Rajpal Sodhi, Mechanical Engineering
- Instruction by a Special Lecturer
 - William J. Skawinski, Chemistry
- Instruction by an Adjunct Professor
 - Vojislav Ristic, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Osama Eljabiri, Computer and Information Science
- Outstanding Professional Development by a Tenured Faculty Member
 - Donald Getzin, Chemistry
- Team, Interdepartmental, Multidisciplinary, or Non-Traditional Teaching
 - Eugene Golub and Geraldine Milano, Civil & Environmental Engineering

AY 1999-2000:

- Lower Division: Undergraduate Instruction
 - Asokan Anandarajan, School of Management
- Upper Division: Undergraduate Instruction
 - Ronald Rockland, Engineering Technology
- Graduate Instruction
 - Edwin Hou, Electrical and Computer Engineering
- Instruction by a Special Lecturer
 - Herli Surjanhata, Mechanical Engineering
- Instruction by an Adjunct Professor
 - John Nastasi, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Elaine Brenner-Zalewski, Chemical Engineering, Chemistry and Environmental Science
- Outstanding Professional Development by a Tenured Faculty Member
 - Angelo J. Perna, Chemical Engineering, Chemistry and Environmental Science

AY 1998-1999:

- Lower Division: Undergraduate Instruction
 - Fadi Deek, Computer and Information Science
- Upper Division: Undergraduate Instruction
 - John Carpinelli, Electrical & Computer Engineering
- Graduate Instruction
 - Qianhong Liu, Computer and Information Science
- Instruction by a Special Lecturer
 - Rima Taher, New Jersey School of Architecture
- Instruction by an Adjunct Professor
 - David Whitebook, Mathematical Sciences
- Instruction by a Teaching Assistant
 - Eliana Antoniou, Mathematical Sciences
- Outstanding Professional Development by a Tenured Faculty Member
 - Julian Scher, Computer and Information Science

AY 1997-1998:

- Lower Division: Undergraduate Instruction
 - Deran Hanesian, Chemical Engineering, Chemistry and Environmental Science
- Upper Division: Undergraduate Instruction
 - John Federici, Physics
- Graduate Instruction
 - Nirwan Ansari, Electrical & Computer Engineering
- Instruction by a Special Lecturer
 - Slawomir Pitaek, Physics
- Instruction by an Adjunct Professor
 - Louis Poli, Physics
- Instruction by a Teaching Assistant
 - Firas Aljallad, Computer and Information Science
- Outstanding Professional Development by a Tenured Faculty Member
 - Vladislav Goldberg, Mathematical Sciences

AY 1996-1997:

- Lower Division: Undergraduate Instruction
 - Cheryl Hyle, Mathematical Sciences
- Upper Division: Undergraduate Instruction
 - Timothy Chang, Electrical & Computer Engineering
- Graduate Instruction
 - Richard Sher, Federated History
- Instruction by a Special Lecturer
 - Harry Kountouras, Mechanical Engineering
- Instruction by an Adjunct Professor
 - Robert Henry, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Yi Cai, Physics
- Outstanding Professional Development by a Tenured Faculty Member
 - Ronald Gautreau, Physics

AY 1995-1996:

- Lower Division: Undergraduate Instruction
 - Kenneth R. Farmer, Physics
- Upper Division: Undergraduate Instruction
 - Angelo Perna, Chemical Engineering, Chemistry and Environmental Science
- Graduate Instruction
 - Antonio De Souza Santos, New Jersey School of Architecture
- Instruction by a Special Lecturer
 - Dennis Donahue, Humanities and Social Sciences
- Instruction by an Adjunct Professor
 - Robert Farrauto, Chemical Engineering, Chemistry and Environmental Science
- Instruction by a Teaching Assistant
 - Artur Kowalski, Computer and Information Science
- Outstanding Professional Development by a Tenured Faculty Member
 - David Elwell, New Jersey School of Architecture

AY 1994-1995:

- Lower Division: Undergraduate Instruction
 - Joseph Strano, Electrical and Computer Engineering
- Upper Division: Undergraduate Instruction
 - Nikki Stiller, Humanities
- Graduate Instruction
 - Iftekhar Hasan, School of Industrial Management
- Instruction by a Special Lecturer
 - Robert Conley, Chemical Engineering, Chemistry and Environmental Science
- Instruction by an Adjunct Professor
 - Leon Jololian, Physics
- Instruction by a Teaching Assistant
 - Rosalie Ocker, School of Industrial Management
- Outstanding Professional Development by a Tenured Faculty Member
 - Wayne Clements, Electrical and Computer Engineering

AY 1993-1994:

- Lower Division: Undergraduate Instruction
 - Nancy L. Steffen-Fluhr, Humanities
- Upper Division: Undergraduate Instruction
 - Doris Sher, Humanities
- Graduate Instruction
 - Nuggehalli M. Ravindra, Physics
- Instruction by a Special Lecturer
 - Nancy Coppola, Humanities
- Instruction by an Adjunct Professor
 - Michael Burns, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Maria Flores, Computer and Information Science
- Outstanding Professional Development by a Tenured Faculty Member
 - Deran Hanesian, Chemical Engineering, Chemistry and Environmental Science

AY 1992-1993:

- Lower Division: Undergraduate Instruction
 - Murray L. Lieb, Mathematical Sciences
- Upper Division: Undergraduate Instruction
 - Michael Mostoller, New Jersey School of Architecture
 - Dana Knox, Chemical Engineering, Chemistry and Environmental Science
- Graduate Instruction
 - Wilhelm Rossak, Computer and Information Science
- Instruction by a Special Lecturer
 - John Hensel, Physics
- Instruction by an Adjunct Professor
 - Louise Castronova, Humanities
- Instruction by a Teaching Assistant
 - Stephanie Di Petrillo, New Jersey School of Architecture

AY 1991-1992:

- Lower Division: Undergraduate Instruction
 - Ronald Gautreau, Physics
- Upper Division: Undergraduate Instruction
 - Norbert Elliot, Humanities
- Graduate Instruction
 - Mark A. Hewitt, New Jersey School of Architecture
- Instruction by a Special Lecturer
 - Janet Bodner, Humanities
- Instruction by an Adjunct Professor
 - Penny Yates, New Jersey School of Architecture
- Instruction by a Teaching Assistant
 - Michael Ferner, Physics

AY 1990-1991

- Lower Division: Undergraduate Instruction
 - Xun-Cheng Huang, Mathematical Sciences
 - Avner Shilman, Chemical Engineering, Chemistry and Environmental Science
- Upper Division: Undergraduate Instruction
 - Anthony Schuman, New Jersey School of Architecture
- Graduate Instruction
 - Vladislav Goldberg, Mathematical Sciences
- Instruction by a Special Lecturer
 - John Lebduska, New Jersey School of Architecture
- Instruction by an Adjunct Professor
 - William J. Boswell, Civil and Environmental Engineering/Engineering Technology
- Instruction by a Teaching Assistant
 - Luis Casas, Physics

AY 1989-1990

- Lower Division: Undergraduate Instruction
 - Wayne Clements, Electrical and Computer Engineering
- Upper Division: Undergraduate Instruction
 - Leslie Weisman, New Jersey School of Architecture
- Graduate Instruction
 - Edwin Cohen, Electrical and Computer Engineering
- Instruction by a Special Lecturer
 - Fadi Deek, Computer and Information Science
- Instruction by an Adjunct Professor
 - Richard A. Dime, Chemical Engineering, Chemistry and Environmental Science
- Instruction by a Teaching Assistant
 - Charalambos Christou, Electrical and Computer Engineering

AY 1988-1989:

- Lower Division: Undergraduate Instruction
 - Donald R. Getzin, Chemical Engineering, Chemistry and Environmental Science
- Upper Division: Undergraduate Instruction
 - Martin Katzen, Mathematical Sciences
- Graduate Instruction
 - Stanley S. Reisman, Electrical and Computer Engineering
- Instruction by a Special Lecturer
 - Paul L. Albright, Organizational and Social Sciences
- Instruction by an Adjunct Professor
 - Nathan Himmelstein, Organizational and Social Sciences
- Instruction by a Teaching Assistant
 - Yusuf Palar, Electrical and Computer Engineering

AY 1987-1988:

- Lower Division: Undergraduate Instruction
 - Bernard Kingery, Physics
- Upper Division: Undergraduate Instruction
 - Rose Ann Dios, Mathematical Sciences
- Upper Division: Honors Undergraduate Instruction
 - Simon Cohen, Mathematical Sciences
- Graduate Instruction
 - Basil C. Baltzis, Chemical Engineering, Chemistry and Environmental Science
- Instruction by an Adjunct Professor/Special Lecturer
 - Jerome M. Paris, Humanities
 - Robert Conley, Chemical Engineering, Chemistry and Environmental Science
- Instruction by a Teaching Assistant
 - Constantine Tsatos, Mathematical Sciences
