

Modes of Instructional Delivery at NJIT¹

HyFlex: Delivery of instruction is independent of time and place, allowing for students to choose to attend class in any of three modes:

- **Face-to-face** – the traditional classroom model;
- **Synchronous online** – same time, different place; utilizing video conferencing technologies;
- **Asynchronous online** – different time, different place; utilizing multimedia learning objects and lecture capture technologies. Students are expected to follow a week-by-week schedule as outlined in the syllabus.

Students can choose to change which option they use to attend courses weekly. Some instructors may require occasional proctored exams.

¹ Contact hours are independent of delivery method and defined in the course catalog.

² Definitions are aligned with OLN's definitions <https://onlinelearningconsortium.org/updated-e-learning-definitions-2/>

³ See <http://www.njit.edu/online/current-students/faq/> for more information about proctored exams.
