LIVING WITH YOUR ROOMMATE

The residence life staff at NJIT is committed not only to helping you develop intellectually and emotionally, but also to helping you grow and learn in your community. A large part of your daily living experience involves interacting with your roommate/suitemates. The roommate/suitemate relationship is one of the most important relationships you will establish in your college career.

Upon moving into your room, it is important to spend some time getting to know your roommate/suitemates. Discuss expectations right away to set ground rules and begin a dialogue regarding how your room will be used. This is also a good time to complete a roommate/suitemate agreement (www.njit.edu/reslife/docs/Roommate_Suitemate_Agreement.pdf). Some items to discuss with your roommate/suitemate include:

- Daily Schedules—sleeping times, study times, quiet hours, TV viewing, use of music players and volume, etc.
- Personal Habits—smoking (not allowed in the building), singing, exercising, snoring, gossiping, etc.
- Guests and Visitation—friends in the room, overnight guests, etc.
- Privacy/Personal Time
- Housekeeping—making beds, cleaning rooms and bathrooms, wall decorations, refrigerator care, etc.
- Sharing—use or non-use of each other’s clothes, records, food, bed, etc.
- Moods—grouchiness, illness, sadness, jealousy, etc.
- Rules and Regulations—alcohol, smoking, visitation, etc. (Remember, you are held accountable for anything that goes on in your room.)
- Values involving race, religion, politics, lifestyle, goals, etc.

ROOMMATE/SUITEMATE AGREEMENTS

The above questions are just a few of the items that the agreement addresses. If a problem develops between you and your roommate/suitemates, your RA can offer suggestions or spend time with you and your roommate/suitemate to help resolve the problem. The roommate/suitemate agreements is available to view and print from our website as well as from your residence hall office (www.njit.edu/reslife/docs/Roommate_Suitemate_Agreement.pdf).

HALL COMMUNITIES/COMMUNITY STANDARDS

From the time you move onto campus until the time you leave at the end of the year, a community is being built on your floor and within your hall. Your community is made up of students and staff from different cultures, socioeconomic levels, races, religions and lifestyles.

As a member of a community, you will have the opportunity to create a set of standards for your floor. These standards serve as agreements as to how all the members of the floor community will treat one another. Standards may change as your community grows and changes, but it is important to realize that as problems arise on the floor, it is the responsibility of the floor members, along with the members of the hall staff, to help you work toward a resolution. Together, you and your floor members can create a positive, supportive and enjoyable living experience in the residence halls.
COMMUNITY STANDARDS MEETINGS

RAs have floor meetings monthly for residents to discuss community standards issues on their floors, and to give residents pertinent information, discuss upcoming events and review policies and procedures. Each community standards meeting is vital. Community standards meeting times are determined at the first community standards meeting. Residents should contact the RA to find out what was discussed, if they miss a meeting. All residents are responsible for obtaining and following the information/changes to community standards. Accountability meetings are called as deemed necessary. Any resident may call a community standards meeting whenever they feel one is needed.

ROOM CHANGES

If a resident wants to change his/her room, he/she will have the opportunity to do so after the first two weeks of each semester, if space is available. It is the responsibility of the resident to get written approval from the associate director prior to making the change. This can be done by completing the information on http://rha.njit.edu/reslifedevel/roomchange/. Illegal room changes may result in a $25.00 fine per person. Look for room change information posted on the web and in your email each semester.

ROOM INSPECTIONS

Residence Life staff may inspect your room several times each semester in addition to the annual inspection by the state fire marshall. Residents are notified in advance of such inspections. Signs are posted informing students that inspections will take place within a two-week period. The residence life staff enters a room even if residents are not present. The residence life staff looks through each room inspecting for illegal items, cleanliness and safety issues. Residence Life staff will confiscate any illegal item(s) that are found. Confiscated item(s) may be claimed from your residence hall office by signing for them and taking them home before Thanksgiving and Memorial Day. After Thanksgiving and Memorial Day any confiscated item(s) that remain will be discarded.

During the room inspection process residence life staff makes note of any damages and will confiscate any illegal items. Failure to pass room inspections may result in fines of up to $50 per person and/or a judicial referral to Residence Life resulting in sanctions and/or dismissal from the residence halls. If a resident’s room fails inspection, the room is re-inspected within seven days. If the room fails the second time, the information is forwarded to the Residence Life Office for further action.

During break periods room inspections occur immediately after classes have concluded.

ROOM MAINTENANCE

All repairs and maintenance are completed by NJIT through Physical Plant and/or contracted vendors. Authorized representatives of NJIT reserve the right to enter a room for facility inspection for reasons of health, safety, maintenance and damages. Such entry is confined to reasonable hours, except in the case of an emergency. Privacy considerations concerning proper knocking and identification are observed. Entry without notice may occur in emergencies, and for routine and immediate maintenance.

ROOM SELECTION

Each spring semester, residents have the opportunity to participate in the room selection process for the following academic year. Students who choose to take part in room selection have an opportunity to choose their own rooms and roommate(s).

VACATION PERIODS

Campus housing remains open for Thanksgiving, winter and spring breaks. Resident students are allowed to enter and exit the building as during the regular semesters. There is limited food and services during vacation periods.

TWELVE MONTH CONTRACTS

Residents are offered the option of taking twelve month contracts for an additional fee. This option includes summer break. More details about the twelve-month contract are outlined in the 2018-2019 terms and conditions of the housing application and contract.
NJIT ACTIVITIES

As a member of the on campus community, it is important to become actively involved in activities. NJIT regularly sponsors plays, lectures, seminars, musical performances, athletic events, festivals and fairs. More than 100 clubs, organizations, professional and honor societies, fraternities and sororities also sponsor events.

RESIDENCE HALL ASSOCIATION (RHA)

All resident students are Residence Hall Association (RHA) members. The purpose of RHA is to represent all resident students in matters and affairs with the administration and other organizations concerning or affecting the quality of living on campus. RHA meets weekly in the Campus Center. Meeting times will be posted in your residence hall lobby area or you may contact your RA for additional information. For more information about RHA, visit their website at http://rha.njit.edu/wordpress/.

ON CAMPUS GOVERNMENT

All students are members of their buildings Hall/Community Council (HC/CC). The goal of the HC/CC is to improve the conditions of the halls, provide a voice for the residents and promote activities that interest the resident population. The HC/CC provides funded activities for all residents. Each building has its own HC/CC. Each floor elects student(s) to act as representative(s) for their floor in HC/CC meetings. Students also have the opportunity to run for HC/CC executive board positions.

NJIT CAMPUS SERVICES

DINING ON CAMPUS

All first year students and sophomores (determined by credit hours) living in campus housing are required to purchase a meal plan. For juniors, seniors and graduate students meal plans are optional, though most students select a meal plan. Meal plans are billed each semester. IDENTIFICATION CARDS

To obtain a replacement ID card, go to the Security Systems Department located at 131 Summit Street (Laurel Hall, on the corner of Summit Avenue and Warren Street). Guests under the age of 15 will need written permission from the residence coordinator of your building to enter.
INSURANCE

NJIT/Residence Life is not responsible for damages to or theft of items that residents bring to campus. It is recommended that you try to attach your belongings to your parents’ insurance or obtain renters insurance to cover your personal belongings. For information on purchasing insurance to cover your students property please view the following websites for additional information: https://www.collegestudentinsurance.com/ or www.nssi.com.
POLICIES

The following information is designed to help you understand the policies and procedures governing on campus housing. NJIT students are subject to all federal, state and local laws regarding criminal and civil conduct. When serious policy violations occur, a case may be referred to the Dean of Students Office or the Professional Code of Conduct Committee. Please refer to http://www.njit.edu/reslife/policy.php for the most current policies. For further information regarding NJIT policies, refer to the NJIT Student Handbook available in the Dean of Students Office or visit http://www.njit.edu/doss.

ADVERTISEMENT AND POSTING

Advertising and Posting for Outside Vendors and Student Groups not affiliated with Residence Life - Posting of any type of publicity in on campus housing is limited to the bulletin boards on each floor and in the lobby areas (nothing can be hung on individual apartment/room front doors). The following guidelines and criteria are necessary for approval to post or distribute publicity in the residence halls:

- The flyer/poster being requested for approval must be brought to Residence Life Office and stamped (located in Cypress Hall) before distribution (Monday-Friday from 8:30 am-4:30 pm).
- If approved, it is the responsibility of the requesting person or group to take the approved publicity and make the appropriate number of copies needed for posting or distribution in each residence hall. Seventy (70) copies are needed to post on each bulletin board by all elevators in all buildings.
- Only one flyer per organization, per event, per bulletin board may be posted.
- Residence Life will distribute the flyers in all buildings if requested.
- After flyers are stamped, Greek Village flyers can be distributed by Residence Life or they can be distributed by the Greek Village Office.
- No publicity should be hung anywhere other than in the designated areas in each building.

If a group or organization is found repeatedly disregarding this policy, that group or organization’s material may be banned from posting. All material that does not comply with the above regulations will be immediately removed.
ALCOHOL

Because the majority of on campus students are under 21 years old, it is important that all students understand the rules and policies of the University and New Jersey state law regarding alcoholic beverages and the way in which residence hall staff and Public Safety will enforce these rules and policies. Violation of the below policies will result in a referral to the Residence Life Office.

A. Possession
1. Persons who are 21 years of age or older may possess and consume alcoholic beverages, but only in the individual rooms of students 21 years of age or older.
2. Consumption or distribution of alcoholic beverages is not permitted in any location other than in the individual room of students 21 years of age or older.
3. The possession of containers that previously contained alcohol is not permitted by individuals less than 21 years of age. This includes bottles filled with sand, highlighted water, etc.
4. The collection of monies prior to or during any function in campus housing where alcoholic beverages are served is not permitted.
5. Any student observed bringing alcohol into a campus residence will be confronted by a staff member to determine if the student is of legal age to possess alcohol.
   a. If the student is 21 years of age or older, he/she is reminded that distribution of alcoholic beverages to minors and intoxicated persons is a policy violation.
   b. If the student is under 21 years of age, the alcoholic beverages will be poured out by the student.

B. Underage:
1. If a student under 21 years of age is found in possession of alcoholic beverages whether the container is opened/unsealed or closed/sealed, the student will pour out the remaining alcoholic beverages.
2. If students under 21 years of age are in a room where open/unsealed containers of alcohol are present, the minors will be considered to have been provided with, and in possession of alcohol, and appropriate charges will be filed for everyone involved. In a roommate/suitemate situation when no one else is present and where one student is under 21 and the other is 21 or older the presence of alcohol is permitted.
3. Presumption of consumption if alcohol is present and student is under 21.

C. Common Areas:
1. Students are not permitted to be intoxicated in public areas. The symptoms of alcohol intoxication include but, are not limited to, being disruptive, slurring words, stumbling, vomiting or being unconscious.
2. If a student is 21 years of age or older, he/she may transport alcoholic beverages to his/her room through common areas as long as it is in the original closed container.
3. No alcohol may be stored in the foyer area of rooms in Cypress and Laurel Halls.

D. General Guidelines:
1. Residents will be held responsible for activities that occur in their rooms, and will be referred to the Residence Life Office, if guests are in violation of alcohol policies.
2. In enforcing alcohol policies, residence life staff is required to check student’s ages. It is the student’s obligation, when asked, to provide proof that he/she is of legal age to possess alcoholic beverages.
3. A student may transport alcoholic beverages to his/her room through common areas as long as it is in its original, closed container. It will be presumed that any container other than the original, closed container connotes
the individual has been or will be consuming the beverage in other than an individual room. It is permitted for persons who are 21 years of age or older to possess and consume alcoholic beverages, but only in the individual residents rooms of students 21 years of age or older.

4. Alcohol Paraphernalia (This includes, but is not limited to, beer pong tables, beer funnels, beer/party balls, kegs and beer bongs).

5. If a student under 21 years of age is found in possession of alcoholic beverages, the student will pour out the remaining alcoholic beverages (open or closed).

6. If students under the age of 21 years of age are in a room where open containers of alcohol are present in the room, the minors will be deemed to have been provided with, and in possession of alcohol, and appropriate charges will be filed for everyone involved. This does not apply to a roommate/suitemate where one student is under 21 and the other is 21 or older and the roommates/suitemates are the only persons in the room.

7. Parents/guardians will be notified by mail if a student is underage and is not emancipated when found responsible for a violation of the alcohol policy. When a student violates an alcohol policy he/she may be referred for educational sessions and/or an alcohol assessment.

8. Any party or gathering at which the rules and policies regarding alcoholic beverages have been violated will be terminated and all alcohol will be poured out or confiscated. Those students in violation will be referred to the Residence Life Office.

9. It is the responsibility of the students living on campus to maintain the spirit and letter of the above policies. It is the responsibility of the residence life staff to assist students in this regard and to deal with alleged violations when they occur.

10. Students who are intoxicated in a public area may be referred for public drunkenness. This includes being disruptive, stumbling, unconscious, vomiting and/or slurring words.

11. Failure to comply with the direction of or to present identification to University officials acting in the performance of their duties is a violation of the Professional Code of Conduct.

**BRIBERY**

Bribing university employees for residence life privileges is forbidden.
CLEANING

NJIT residents are responsible for cleaning their rooms (including bathrooms and foyers in Cypress, Laurel, Honors and Oak Halls and the Greek Village). These vacuums can only be signed out for a period of 30 minutes and should be emptied before returning it to the office. However, if a vacuum cleaner is not available, the student is still responsible for cleaning the room. Several times each semester and at semester breaks, residence life staff may conduct a health and safety inspection of each room to look for cleanliness, safety issues and illegal items. The residence life staff makes note of any damages and confiscates any illegal items. If a resident's room fails inspection, the room is re-inspected within seven days. If the room fails a second time, it may result in fines, residence life judicial referral, sanctions or dismissal from the residence hall.

COMMERCIAL ENTERPRISES/SOLICITATION

The use of university facilities and/or property for commercial sales activities by individuals or non-University organizations is prohibited. University organizations, within the limits established by this policy and other University regulations, and with appropriate approval, may sell materials to support the purpose of their organization. DAMAGE

Common Areas - Damages to residence common areas that occur through vandalism may be charged back to the individuals involved, the floor or hall. The Residence Life Office staff prefers to charge the individuals who are responsible, rather than assess damages to the residence community. If you have information concerning damages in public areas, please share it with your RA, RC or anyone in the Residence Life Office.

DRUGS

Any NJIT student who illegally possesses, uses, manufactures, prepares, buys, sells, gives away or otherwise dispenses any controlled dangerous substances may be suspended or dismissed from on campus housing and/or NJIT. In the event that illegal substances are suspected in the room, NJIT Public Safety is called to respond. The Residence Life Office and the Dean of Students Office will take further action. The possession of paraphernalia for illegal drugs is strictly prohibited. Parents/guardians will be notified by mail if a student is underage and is not emancipated when found responsible for a violation of a drug policy. When a student violates an drug policy he/she may be referred for educational sessions and/or an drug assessment.

Students may contact a Residence Life staff member, Dean of Students or Public Safety to report any of the above violations.

**IDENTIFICATION**

Students must carry a valid NJIT ID card at all times when entering or exiting an on campus residence. To enter the building, students must use the ID card to “swipe in.” Residents must first swipe their ID through a card reader outside of the building. The ID card must then be given to the desk attendant (DA)/security staff so they can verify the identification and they will swipe the student into the lobby area. Any guests with the resident should be signed in at this time. Lastly, the student will swipe to exit the lobby and enter the residential part of the building. Misuse of the NJIT ID, noncompliance with a desk attendant (DA)/security and/or failure to carry the NJIT ID will result in disciplinary action and/or fine.

In addition:

• Failure to comply with the directives of University officials acting in the performance of their duties and/or failure to identify oneself to these persons when requested to do so is prohibited.

• Students may not use false identification/information to gain access to someone’s room.
KEYS AND COMBINATIONS

Residence hall keys (room or mailbox) may not be duplicated. Room combinations may not be shared with non-residents of a room. A fine and/or disciplinary action will result from possession of illegal duplicates or unauthorized possession of any NJIT keys or combinations. If a key is lost or not returned at checkout, the cost of a lock change is $50. Mailbox lock changes are $25. When residents move from a room, the combination to that room will be changed. Only authorized NJIT personnel may change the combination to a room-suite.

LOCK-OUT AND COMBO POLICY

For Rooms with Keys:
- If someone is locked out of their room, resulting in the RA having to let them in with a key, the person will be charged $5.
- If both roommates are present and become locked out then it will be a $5 charge ($2.50 each).
- Students will not be charged if there is a fire alarm and they become locked out due to the alarm.

The contact persons information is considered confidential and will be accessible only to authorized campus officials, and it may not be disclosed, except to law enforcement personnel in furtherance of a missing persons investigation.

If a student is under 18 years of age and not emancipated, NJIT must notify a custodial parent or guardian within 24 hours of the determination that the student is missing, in addition to notifying any additional contact person designated by the student.

In both instances, NJIT will also notify the Newark Police Department within 24 hours of determination that the student is missing.

NOISE

- All non-quiet floors are under 24-hour courtesy hours. Specific quiet hours for these floors will be discussed at community standards meetings. Courtesy hours require residents to lower the volume to an acceptable level when it may affect other students. It is important to remember that everyone has a different schedule for studying, working, sleeping, classes, and quiet personal time. Be considerate of these varying schedules.
- All floors are under 24-hour quiet hours during final exam periods beginning at 10 pm the night before Reading Day. During quiet hours, no noise should be heard outside of a resident’s room. Music, TVs, gaming, conversations, etc., should be kept at a minimum volume level.

If any of these items are found in your room, they will be confiscated and it will constitute a violation of Residence Hall Policies and may result in referral for disciplinary action. PROCEDURES

DAMAGE PROCEDURES

Damage Assessment

After check-out, the RA and RCs go through each room to assess damages and cleaning charges. This assessment, plus the total common area damages, is charged to the student’s account.

Damage Billing

If a student damages NJIT property, that student is subject to disciplinary action and repair costs. All common area damages in the residence hall are assessed as they occur.

PROCEDURES FOR POLICY VIOLATIONS

Policy violations that occur in campus housing are documented on a Residence Life Incident Report. (Examples of incidents include illegal parties, drugs, confiscated equipment, sports in the halls, etc.).

SUMMARY OF PROCEDURE

After an incident is documented on a Residence Life Incident Report, a copy of the incident report will be given to the RC (or designee) of the particular hall where the alleged incident occurred. The RC (or designee) reviews the report and sends an email to the resident requiring a meeting to be scheduled to discuss the alleged policy violation. Failure to attend any scheduled meetings with the RC (or designee) can result in additional disciplinary action including temporary restriction from the residence halls.

During the judicial meeting, the RC (or designee) will review the student’s rights and responsibilities, the alleged violations, and the incident report with the student. The student will indicate if he/she is responsible or not responsible for the alleged violations as indicated in the incident report. If the student admits that he/she is responsible, the RC (or designee) notifies the student of the administrative decision and any sanctions within five business days of the meeting. If the student pleads not responsible for the violation, the RC (or designee) will render a decision of responsibility based on all the facts presented in the incident report and from the conversation with the student.

A student has the right to request that their case be heard by another professional Residence Life staff member.

In all cases:

- An appeal of the decision may be made on the basis of 1.) a question of fact, 2.) a question of procedure or 3.) severity of the sanction. The appeal must be made in writing to the director of residence life within three business days of receiving sanction notice. Failure to comply with the sanctions levied by the RC may result in additional sanctions including, but not limited to, possible loss of housing.

All damages or fines are charged to the student’s account; the student is notified that he/she must pay these charges to the Bursar’s Office.
HOUSING PROCEDURES

CHECK-IN PROCEDURES

Read the “Checking In” section, page 7.

- Pack up all belongings.
- Make agreements with roommate(s) to clean the room.
- Make sure all belongings are out of the room, and the room is clean.
- Return the mailbox and room keys in the “Express Check- Out” Envelope to the building office.

For check-out by a RA or Residence Life staff member:

- Make an appointment to check-out with the RA.
- Check-out within 24 hours of last exam or by the designated date and time. If there are special circumstances contact the RC .

- Make agreements with roommate(s) to clean the room.
- Make sure all belongings are out of the room, and the room is clean.
- Walk through the room with the RA and sign the inventory form.

After all students have completed check-out, a residence life staff member assesses each room for damage and/or cleaning charges. These charges are automatically placed on the resident’s bursar account. Residents are notified of the charges and the appeal process by mail in June.

Improper check-out will result in a $25 charge. Late check-out will result in a daily housing charge for each day you or your belongings remain in the room. Failure to return room keys will result in a $50 charge and failure to return the mailbox key will result in a $25 charge.

CLOSING INFORMATION

Campus housing remains open for Thanksgiving, winter and spring breaks. Winter break is included in the academic year contract. Dining service is very limited during these time frames, as well as other services on-campus.

HOUSING CONTRACT

For the full text of the housing contract, see Appendix A starting on page 29.

SAFETY AND SECURITY

DOORS

Propping doors open severely compromises the security of the residence halls. If a door is propped open, remove the prop, pull the door closed and the door will lock itself. Do not prop doors open.
FIRE SAFETY

When a fire alarm sounds, ASSUME the alarm is real. Residents and their guests must evacuate the building immediately. If extra assistance is needed, please make sure the Residence Life is aware of your needs, EVEN if it is temporary. Failure to exit the building during a fire alarm results in disciplinary action. If a resident fails to comply with fire drill procedures, sets a fire, sets off a false alarm or empties a fire extinguisher, he/she is subject to suspension and criminal prosecution and/or disciplinary action.

FIRE EXIT PROCEDURES

1. THINK, AND THEN RESPOND QUICKLY BUT SAFELY. Common sense could save your life.
2. DRESS FOR THE WEATHER. Toss a towel around your neck in case you encounter smoke while exiting.
3. BEFORE OPENING YOUR DOOR, FEEL IT. If it is hot, stay in your room and call 973-596-3111 to let them know where you are. Trained fire rescuers will assist you.
4. IF IT IS NOT HOT, OPEN IT SLOWLY. If there is no smoke or visible fire, proceed to the nearest exit.
5. IF YOU ENCOUNTER SMOKE WHILE EXITING, DROP, STAY LOW AND CRAWL TO THE NEAREST EXIT.
6. ONCE OUTSIDE, CYPRESS/REDWOOD HALLS REPORT TO THE CAMPUS CENTER, LAUREL/OAK HALLS REPORT TO THE PARKING DECK, HONORS REPORTS TO GREEK VILLAGE SIDE OF THE STREET AND GREEK VILLAGE REPORTS TO THE HONORS GREEN. FURTHER DIRECTIONS WILL BE GIVEN AT THIS POINT.
7. ONCE OUTSIDE, REPORT ANY INFORMATION RELATED TO A FIRE/SMOKE, FELLOW STUDENTS STILL INSIDE, ETC., TO ANY STAFF AT THE SCENE.

KEY, COMBINATION, AND ID USE

Residents are urged to exercise extreme caution by safeguarding their keys and combinations, and should carry them at all times. Disciplinary action will be brought against any resident who shares his/her keys and or combinations to anyone who does not live in that room.

SEARCH AND SEIZURE

NJIT recognizes residents’ right to privacy, but maintains the right for its authorized personnel to enter residents’ premises for the following reasons:

- without notice in an emergency involving danger to life or property;
- upon notice for the purpose of health and safety inspections;
- for routine and immediate maintenance;
- without notice when a condition is observed that is prohibited by the Residence Life Contract, NJIT or residence life regulations; and
- when it is reasonably believed that a resident is using the assigned space in a manner contrary to the provisions of the Residence Life Contract and Residence Life or University policies.

Occupants need not be present for staff entry into rooms or searches for any of the above reasons. Residence life staff always knocks and announce entry. Residents are not permitted to enter another student’s room in the absence of the occupants. An individual or general room search by NJIT professional staff and police officers is conducted only after approval from the dean of students is secured, or a legal search warrant is obtained. Object(s) of the search, as well as other prohibited items, will be removed. Items that may be legally possessed, but are not permitted in the residence halls, will be confiscated. Confiscated items must be signed out from your residence hall office and taken home before Thanksgiving and Memorial Day. Any items left will be discarded.

THEFT

All thefts should be reported to the residence life staff and Public Safety Department immediately (973-596-3120). The Residence Life Office and NJIT are not responsible for loss of or damages to, any personal property. Because there is the possibility of theft and damage, residents are requested to check their family insurance policy to see if it covers any losses, or to obtain rental insurance.
