NJIT
Welcome home, Highlanders!

On behalf of the Division of Academic Support and Student Affairs, welcome home to Residence Life at NJIT! We are excited to begin another academic year, and we hope that you are excited to come to or return to campus.

The Office of Residence Life is committed to providing you a comfortable, educational, diverse, and caring community where academic success, personal growth, safety, and social responsibility are valued. We believe living on-campus provides you with opportunities to develop lasting friendships, learn about different people from diverse cultural backgrounds and increase your own personal growth. I invite you to get involved and take advantage of the many opportunities and staff support associated with living on-campus; our goal is to foster your success.

If you need assistance, please contact our office at (973) 596-3039 or email reslife@njit.edu. You can also stop by your Area or Residence Coordinator’s office located on the first floor of your residence hall. Our central office is open Monday through Friday, 8:30am-4:30pm, and we are located on the ground floor of Cypress Hall.

During the move-in period, please look for invitations to attend a variety of Welcome Week programs designed to get you connected to the NJIT community. Events include our Welcome to the Neighborhood information and student organization fair (August 30th 1-4pm on the CKB Plaza); Family BBQ (4-6pm on the Honors Green); Laser Tag sponsored by the Residence Hall Association (8pm – location TBA); and a large variety of in-hall events between September 2-4th within each residence hall community.

Again, welcome to NJIT! Best wishes for a successful college experience!

Sincerely,

Sean Dowd
Director of Residence Life

2017-18 Residence Life Staff at Tree Top Adventure for team building during this summer’s residential leadership development training!

**OPENING FALL 2017**
ROOMMATE AGREEMENTS

For some of you, you will have a roommate for the first time, while others will have new or continuing roommates into another year. As you make your own living rules or standards, work with your roommate(s) to create an environment conducive to study, relaxation, privacy, sleep, friendship and FUN!

The limitation of space alone requires consideration by roommates. Communication is the key and a little consideration goes a long way. To facilitate a healthy living environment, roommates will fill out a roommate agreement, in which the areas of living together will be covered. Talking about such issues as borrowing items, bed times and room cleanliness will prevent frustration later.

I like the room temperature very cold, what about you?

I would like to have over-night guests... Are you ok with it?

I watch TV to fall asleep... Will that bother you?

I study late at night and listen to music.

Hey, roommate, can I use your stuff?

We should clean the room at minimum weekly........

WE HAVE WIRELESS!
(ist.njit.edu/connectivity/wireless.php)

NJIT has wireless networking throughout the NJIT campus

The network includes simpler to use and more secure authentication methods. The new authentication methods are being introduced through two additional wireless “Network Names” or SSID’s. All wireless SSIDs are listed here in recommended order of use:

1. "NJIThousing" - Only for residential students - this should be the highest for them.
2. "NJITsecure" - Should be highest for all non-residential students, faculty, and staff, and the second highest for residential students.
3. "NJIT" - Guest Usage or for temporary devices only, should be low or "forget" it.
4. Public WiFi - The NJIT campus is surrounded by public WiFi networks which you may have access to.

These networks should be set with a preference order lower than the NJIT wireless networks. This will help you stay connected to NJIT’s wireless network.

Stops Include: ShopRite (Kearny),
Walmart (Kearny), The Food Depot (1st St, Newark)

Shopping Van Hours for Fall 2017 will be e-mailed to you and posted in your hall.

- The shopping van picks up residents outside of residence halls, on Summit St. for Oak and Laurel, Greek Way for Honors & Willow and Bleeker St. for Cypress & Redwood residents. Allow the driver a few minutes to reach each location. (Campus pickups are on the hour from the start time and end one hour before the stop time listed.)

- Let the driver know if you want to go to Shop Rite instead of Wal-Mart.

- The driver will give an approximate pick-up time to current passengers.

- Be timely and considerate of other shopping residents and the driver. Notify the driver if you do not plan to return with them.

- **Note:** If you have a concern with the Shopping Van please address it to the Residence Life Office by emailing reslife@njit.edu.

About Newark NJ

The Greater Newark Convention and Visitor Bureau is the official destination marketing organization for the cities of Newark and Harrison, New Jersey.

We are committed to promoting and marketing the assets of the region generating economic development and creating new jobs by increasing the length of stay at area hotels, increase per capita spending in the tourism sector, as well as attracting new events, meetings and conferences to the region.

The GNCVB is a private 501(c) (6) New Jersey non-profit corporation composed of local tourism stakeholders. It is not a part of the city, county or state governments; a political party or faction; a civic or social club; a social service or welfare agency. Our Board of Directors is comprised of tourism professionals and key industry leaders.

Funding:
The GNCVB was the first Destination Marketing Organization in the state of New Jersey to establish a Tourism Improvement District, charging a small assessment on all overnight stays, with collected funds going to market and promote the destination.

Tourism Fast Facts:

- The region generates $339 million in state and local taxes
- Newark currently sells a million room nights per year
- Tourism supports 21,009 jobs in the tourism sector in Essex County, which is 10% of the county's workforce

Our History:
The Greater Newark Convention and Visitors Bureau (GNCVB) began as an incubator program under the leadership of Newark Community Economic Development Corporation (NewarkCEDC) formerly known as Brick City Development Corporation (BCDC) in 2008. They recognized that Newark stood to generate significant economic revenue for the city through tourism, by promoting the destination, increasing hotel occupancy, attracting meeting and conventions, and ultimately changing the national perception of the destination. NewarkCEDC engaged well-regarded Newark area organizations to help steer the tourism efforts, forming an advisory council, which undertook the mission of identifying a self-sustaining funding source. Today, the GNCVB is on track to realizing that goal, having secured a sustainable funding source that will fuel tourism promotion.
