Mission Statement
Provide responsive, innovative and efficient contracting solutions to enable the Army’s global workforce dominance

Vision Statement
DoD’s pre-eminent provider of decisive edge contracting solutions and practices
Mission Execution

- Perform the full spectrum of Operational Contracting Execution, Acquisition Support, and Business Advisory Services in support of major Weapons, Armaments, Ammunition and Information Technology Systems for our customer organizations.
- Contracting support encompasses all phases of R&D as well as initial and follow on production and sustainment phases.
- All requirements are negotiated on either best value or LPTA basis, as appropriate.
- Contract execution emphasis on utilization of Cost Reimbursable and Fixed Price Incentives type instruments.
- Utilization of Non-FAR based instruments – Grants, Cooperative Agreements and Other Transaction Agreements (OTAs).
