Highlander Student Leadership Awards
The Quiet Influence/Unsung Hero Award

Award Description:
This award is given to a substantial member of the community whose contributions have so far been unrecognized. This “quiet influence” award recognizes a student that puts their heart and soul into everything they do, but their effort often goes unrecognized. They may work "behind the scenes," but often go above and beyond expectations. This person contributes regularly to the goals and projects of the community or student organization with humility and respect. This individual does not look for or expect recognition from peers for the work they do. A community’s or organizations unsung hero is a dedicated member who may not necessarily hold an officer position, but plays an undeniably valuable role in achieving organizational success.
