- CTC Public Benefit Corp.

Bronze Sponsors:
- Sustainable Strategies 2050
- Wilentz, Goldman, and Spitzer
Real Estate Financing Trends

- Greater use of governmental sources
- Brownfields particularly difficult:
  - Greater need for upfront investment vs. extreme shortage of private equity investment $$
  - Lenders are skittish about risk
- Governmental grants useful for upfront costs, but loans and loan guarantees are key to vertical development.
  - Most state line-item brownfield grant-loan programs have been slashed
### Federal Resources for Brownfields Redevelopment Projects

#### Loans
- EPA/State Clean Water RLF’s
- HUD’s Section 108 loans/guarantees
- EDA revolving loan funds
- EPA capitalized revolving loan funds
- SBA’s microloans, Section 504, Section 7(a) Programs
- USDA business, intermediary, development loans

#### Grants (continued)
- USDA community facility, business and industry grants

#### Equity capital & loan guarantees
- FHA 220 Loan Guarantee
- DOE energy facility guarantees
- SBA

#### Tax incentives and tax-exempt financing
- Historic rehabilitation tax credits
- New Markets Tax Credits
- Energy Investment Credits
- Tax expensing of cleanup costs
- Low-income housing tax credits
- Industrial development bonds

#### Grants
- EPA assessment, cleanup grants
- HUD BEDI
- HUD CDBG
- EDA public works and economic adjustment
- DOT (TIGER Grants)
- Army Corps of Engineers
EPA Clean Water State RLFs

- Capitalized by EPA
  - $3 billion total last year
- States set RLF priorities within broad EPA guidelines
- Can finance loans up to 20 years; including
  - Site assessment;
  - Brownfield cleanup (to correct or prevent water quality problems)
- Priority for green infrastructure, low-impact projects

CREATIVITY
- Baltimore - Canton Crossing used $5 million CWSRF to fund bulkhead improvements as barrier for groundwater contamination.
- Ohio uses CWSRF Program Income and funds site preparation, as well as cleanup.
HUD 108 Loans

- Borrow up to 5 times CDBG allocation
- CDBG rules apply
  - Slums/Blight – tough
  - Low-Mod Benefit
- Security – CDBG
- Mezzanine financing advantages:
  - Low interest
  - Subsidiary position
HUD 108 Loans

Creativity
- Security
- Use of funds with TIF
- Creation of RLFs for brownfields (Chicago) or business loans (Suffolk County)

Baltimore Examples
- Montgomery Park
  - Slums and blight
  - Security vis-à-vis CDBG
- Gateway South
  - TIF
Rehabilitation Tax Credits

- Taken the year renovated, income-producing building is put into service
  - *Rental housing eligible*
- 20% credit for work done on historic structures, certified by state
- 10% credit for work on “non-historic” structures built before 1936; no certification required

**New York**
- 20% state credit if CT is at or below state median family income or IRS “Qualified Census Tract”
  - Non-Transferable

**New Jersey**
- Governor vetoed state tax credit
New Markets Tax Credits

- Location in a low-income census tract
  - Poverty rate exceeds 20 percent, or
  - Median income is below 80 percent of the median

- Eligible RE activity
  - Office, retail, industrial, hotel, community facility, and mixed-use projects
  - For-sale housing
  - New construction and rehabilitation
  - Properties owned by not-for-profits

- Twinning
  - Historic Rehabilitation Tax Credits OK;
  - not Low Income Housing Tax Credit

- But-for test
  - Few “moving parts”
- “Lining up” with a CDE application
- Tax credit investor gets a tax credit equivalent to 39% of his investment in a CDE.
- Tax credit converted to upfront equity @10 – 20% of eligible project costs.
New Markets Tax Credits – Brownfields Tie-in

- “severe distress”
  - poverty rate of 30% or median income less than 60% of area median; or
  - Non-metro counties, or
  - Meets two of 14 other characteristics, one of which is “brownfields site.”
New Markets Tax Credits

- **CDE’s that target or have funded brownfield projects**
  - Urban Action Community Development LLC
  - Essential Community Capital, LLC
  - Brownfield Revitalization, LLC
  - Local Initiatives Support Corporation
  - Enterprise Community Loan Fund, Inc.
  - MBS Urban Initiatives CDE, LLC
  - Great Lakes Region Sustainability Funds LLC – Delta Institute, *Great Lakes region*
  - The Valued Advisor Fund, LLC
  - ShoreBank Enterprise Group, Pacific Enterprise Cascadia – *Washington and Oregon*
  - Wisconsin Brownfield and Economic Development Fund, LLC
  - Urban Revitalization & Brownfield Redevelopment Fund - *Wisconsin*
  - MassDevelopment New Markets LLC – Massachusetts

Creativity - New Markets layered w/ Historic Market Street Power Plant, New Orleans

- $80 million retail w/ Bass Pro
- Redevelopment Economics scoped potential incentives
  - Historic tax credits
  - New Markets Tax Credits
  - TIF
  - Brownfields
Creativity - New Markets layered w/ Historic Knapp’s Dept. store, Lansing, MI

- $36.4 million total
- $24.5 incentives, including:
  - $7.3 million - state and federal historic tax credits;
  - $2 million BEDI;
  - $5.4 million HUD 108 loan;
  - $4.8 million - new market tax credits;
  - $1.8 million in Brownfield Michigan business tax credits;
  - Renaissance Zone designation – property tax credits for 12 years.

- Retail
- Office space
- Business incubator
- High-end apartments
FHA Section 220 Loan Guarantee

**FHA 220 Loan Guarantee**
- New construction or substantial rehabilitation of apartment properties.
- Property must be located in area of concentrated development where a coordinated plan of public and private sector investments are being made.

**Heer’s Department Store, Springfield, Mo.**
- Developer - $4.4 million
- $11 million FHA section 220 loan guarantee
- Federal and state Historic Tax Credits — $10.1 million
- $3 million TIF closed the gap
  - $2 mil City loan
  - $1 mil State loan
  - Uses 100% of property taxes and 50% of retail sales taxes
Federal Energy Investment Tax Credit (ITC)

- **Business Energy Investment Tax Credit (ITC).** The Business Energy Investment Tax Credit (ITC) creates a tax credit:
  - 30% for solar, fuel cells and small wind;
  - 10% for geothermal, microturbines and CHP

Griffiss Industrial and Business Park, Rome, NY
- Former Air Force Base and Superfund site
- Current district energy system – 26 mile steam piping to 70 businesses employing 6,000 people
- Now under construction - bio-mass CHP plant to also generate electricity
- CHP investment - $30 million, $6.2 million from treasury grant that monetizes the value of the ITC.
Private Tools that Can Help Brownfields Financing

- **Brownfields Equity Co** - Converting post-development tax credits into upfront cash – operates in states w/ transferable (or refundable) remediation income tax credits:
  - Missouri;
  - Massachusetts;
  - Florida;
  - New York
Private Tools that Can Help Brownfields Financing

- **Insurance Archeology**
  - Indianapolis is using insurance archeology to recover cleanup costs:
  - Legal action to recover of $5 million from Ertel Manufacturing (unresolved).
  - Re-use: Major Tool and Machine (engineering, fabrication and machining services company).
Private Tools that Can Help Brownfields Financing

- “Double Bottom Line” investors for equity or mezzanine financing
  - California Environmental Redevelopment Fund (CERF),
  - Bay Area Smart Growth Fund,
  - Puget Sound Smart Growth Fund I,
  - HRI National Cities Fund,
  - Massachusetts Life Initiative

Lawrence Southwick Mill
State-Local Brownfields Incentives that are Still Working

- States with Bond-funded Brownfields Incentives – Ohio, PA, Cal, Wisc.
- States with remediation/redevelopment tax credit programs – Missouri, New York, Florida, Massachusetts, New Jersey
- States/localities with dedicated sources of revenue - New Jersey, Washington State, Minneapolis-St. Paul)
- State-Supported Tax Increment Financing - Kentucky, Missouri, Michigan, Connecticut, New Jersey
Local Incentives
TIF Basics

- **Why stress TIF over other mechanisms?**
  - The only incentive that can close gaps of $50 mil+
  - Local government control;
  - Not dependent on appropriations;
  - Many variations and opportunities for creativity;
  - Depressed property values - good time to designate TIF districts.

*Chart source: TIERRA GRANDE – “ABCs of TIF” By Robert R. Eversberg & Paul R. Goebel*
Atlantic Station TIF
TIF for Large-scale New Urbanist Projects

- $167 million of $250 million gap
- Reimbursing $50 million cleanup
- Expected $4 billion investment
- AIG Global Real Estate provided upfront equity financing
- Dramatic VMT reduction

- 6 mil sq ft office
- 5,000 DU’s
- 2 mil sq ft retail
- 1,000 hotel rms
- 11 acres open space
## TIF Trends – Bond Market

### 2006
- $5.5 billion in issuances
- Loan to value up to 90%
- Interest rates – 6 – 6½ %
- Debt coverage ratio – 1.2

### 2009
- Less than $1 billion issuances
- Loan to value - 50-60%
- Interest rates – 8¾ %
- Debt coverage ratio – 1.5
Alternatives to Bond Market Financing

- Pay-as-you-go
- TIF with governmental loans and guarantees:
  - HUD 108
  - EPA Brownfields RLF
  - State loans and guarantees
Matching TIF w/ HUD 108 and EPA RLF – Des Moines

- DesMoines Gray’s Landing (Riverpoint West) TIF:
  - $17 million HUD 108 for assembly and infrastructure
  - $1 million EPA Brownfields Revolving Loan Fund for cleanup.

- Backstop for TIF:
  1. $2.9 million surplus revenues from adjacent TIF district
  2. Developer guarantee

- New Markets Tax Credits

- $220 million mixed-use project
  - 543 townhomes/condominiums
  - 740,000 sf office/retail space
  - 143,000 sf flex space
Area TIF and Pay-As-You-Go Dallas, Skillman District
Area TIF – Dallas, Skillman District – Pay-as-you-go

- Objective: transform area to urban/TOD/mixed use center
- Pay-as-you-go
- $850,000 annual revenues from:
  - 8 development projects w/ no TIF subsidy
  - Property value growth
  - Includes negotiated school revenues

Lake Highlands Town Center/TOD project
TIF in NY State
Rochester – Vacuum Oil

- 58 acre riverfront site
- Needs cleanup and infrastructure
- Residential mixed use project
- Examined NY TIF enabling legislation
  - Eligible activities include remediation, clearance, and site prep
  - Does not allow creation of special assessment districts to back TIF
  - Does not allow school district revenues to be included
New Jersey 2009 Law Revamped TIF Program

- Broadened geographic eligibility
- Created possible capture of 15 state and local taxes
- Economic Redevelopment and Growth Grant Program
  - State grant program to convert pledged revenues into upfront cash
  - Requires finding of positive fiscal impacts

Sommerville – reviving downtown shopping area
