REALITY—AND TO THE CLASSROOM.*

New Jersey's Science and Technology University, NJIT enrolls students and graduates professionals. If you're ready to explore how technology can put you at the forefront of many fields, if you're eager to solve problems that affect everyone, then you belong here. A degree from NJIT can give you the edge.

THE EDGE IN KNOWLEDGE

AT A GLANCE

NJIT is New Jersey's Science and Technology University. Its roots go back to 1881, when it was founded as Newark Technical School. A *U.S. News* top national university, NJIT is 10th in the nation in diversity.

LOCATION

Located in New Jersey's University Heights, home to more than 30,000 college students, NJIT offers advantages beyond its own campus, including the resources of New York City just 10 miles away.

CAMPUS

In recent years, NJIT has put more than \$83 million toward new and improved buildings and facilities on the 45-acre campus, including biomedical engineering labs and a campus center with bowling alleys and a rooftop garden.

ENROLLMENT

5,380 undergraduates and 2,829 graduate students from 33 states and more than 100 countries.

Small classes and professors with real-world experience allow you to make your education as personal as you want.

FACULTY

399 full-time faculty; more than 98% hold highest degree possible in their fields; student-faculty ratio is 13:1.

DEGREES

36 undergraduate programs, 19 PhD programs, 41 master's programs. Students can double major, design an interdisciplinary major, opt for an accelerated bachelor's/master's degree program, and cross-register at nearby Rutgers University-Newark.

HONORS COLLEGE

Albert Dorman Honors College enrolls more than 600 students who take advantage of honors courses, research opportunities, advising, and mentoring. Honors College students have SAT scores in the top 10 percent nationally.

HANDS-ON LEARNING

Students have many opportunities to take part in experiential learning through service learning, labs, internships, co-ops, and research.

At NJIT, you'll gain the type of global, sustainable, and entrepreneurial perspectives that will help you anticipate tomorrow's needs—and make you a more valuable professional, no matter how your career evolves.

Located in the University Heights section of Newark, New Jersey, NJIT's 45-acre campus includes 25 buildings for teaching, research, and student life. NJIT provides 24-hour security patrols throughout campus. New York City is 10 miles from campus. The beach is one hour away.

SCHOOLS AND COLLEGES

Newark College of Engineering
 New Jersey School of Architecture
 College of Science and Liberal Arts
 School of Management
 Albert Dorman Honors College
 College of Computing Sciences

RESEARCH

NJIT drew more than \$77 million in research funding in 2007. Faculty members welcome student collaboration on research projects. The university has particular strengths in nanotechnology, polymer science, solar physics, homeland security, and the smart gun.

STUDY ABROAD

Students study abroad in such countries as China, France, Egypt, Germany, India, Italy, Korea, Netherlands, Russia, Sweden, Thailand, Turkey, Denmark, Singapore, and Japan.

CAREER RESOURCES

NJIT offers career advising for all students and strong network and job placement opportunities at major corporations. 90% of graduates are employed full time or enrolled in graduate school within a year of graduation.

More than 60 technology start-up companies on campus, many of which hire NJIT students, add to the energy of innovation with such initiatives as facial recognition and text-to-voice technologies.

NJIT is a pioneer in information technology. Not only was it named one of the 25 most connected campuses by The Princeton Review and Forbes.com, it's also developing SmartCampus, a revolutionary wireless campus community system that could transform how people communicate in the future.

LIVING ON CAMPUS

The resident population, which includes half of the freshman class, lives in five campus residence halls, the newest one designed by world-renowned architect Michael Graves.

STUDENT LIFE

More than 70 student-run clubs and organizations; more than 20 cultural clubs; 15 fraternities and 7 sororities.

ATHLETICS

15 varsity sports, transitioning to NCAA Division I. Men's: baseball, basketball, cross-country, fencing, soccer, swimming, tennis, and volleyball. Women's: basketball, cross-country, fencing, soccer, swimming, tennis, and volleyball.

FRESHMAN PROFILE

Applications received: 3,036
Admitted: 1,943 (64%)
Enrolled: 846 (44%)
Middle 50th percentile SAT-I
composite (critical reading and math):
1040–1220
Percentage in top tenth of
high school class: 27

APPLICATION DEADLINES

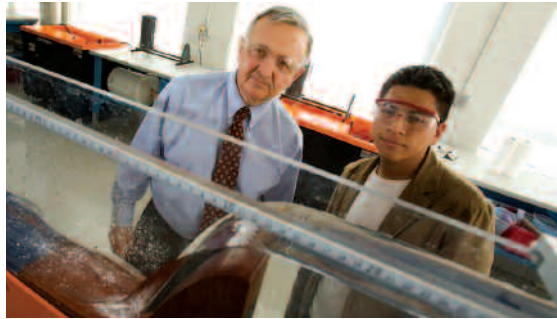

Fall semester: April 1
Spring semester: November 15
NJIT has rolling admissions. Within
2–3 weeks after your file is complete,
we will notify you of the status of
your application.

FINANCIAL AID

More than 89 percent of incoming students
receive financial aid in the form of grants,
scholarships, loans, and/or work-study.
The average merit-based scholarship
awarded to freshmen in fall 2006 was
\$4,800. The average total package for all
aid recipients was \$13,200.

***NJIT's new national affiliation
with NCAA Division I ramps up
the competition and excitement
for 15 intercollegiate teams.***

***Students in NJIT's cooperative
education program, which offers
paid employment in industry, can
earn as much as \$17,500 in seven
months toward their education.
Many co-ops convert to full-time
positions for students at graduation.***

TUITION AND FEES

NJIT's costs are substantially lower than
those at private universities.

2007-08 Annual Costs

<i>New Jersey Resident:</i>	<i>Non-New Jersey Resident:</i>
Tuition: \$9,700	Tuition: \$18,432
Fees: \$1,650	Fees: \$1,650
Room and Board: \$9,264	Room and Board: \$9,264
Total: \$20,614	Total: \$29,346

Don't lose
your edge. The
only way to stay on
NJIT's mailing list and receive
the viewbook is to register at
