Kedge Business School is France’s largest independent Business School and one of only 76 institutions world-wide holding triple-accreditation awarded by: EQUIS, AMBA and AACSB. Consistently ranked among the Top-30 Business and Management institutions in Europe by the Financial Times, it is France’s leading institution of Management research publications.

Kedge leverages its multi-campus advantage and its international positioning to offer an extraordinary portfolio of International Summer School Programmes to Bachelor and Master students from around the globe.

* 3 in Bordeaux
* 3 in Marseille
* 1 in Toulon!

Each package includes 2 courses [10 ECTS credits*], plus organised social activities and company visits. All courses are delivered in English by top-notch international faculty from around the world.

The unique aspect of the Kedge Summer School is the ability for students to Mix & Match courses from different packages to create a personalised ‘hybrid’ program to suit their individual needs, timing and budget.

Classes are scheduled from Monday - Thursday, with business trips or social activities planned every Friday - leaving plenty of time to explore the surrounding region, or organise weekend trips in France or to other European cities and make the most of a summer abroad.

Student volunteers also organise a complete program of optional extra visits to give our international guests an insider’s look at life in France – by day and night!
