## **Technical Assistance to Brownfield Communities Program (TAB)**

NJIT provides *free* technical assistance to state, regional, county, tribal, and local government entities and nonprofit organizations interested in learning about, identifying, assessing, cleaning up, and redeveloping brownfield sites in EPA Region 1 (New England), Region 3 (Mid-Atlantic), and Region 4 (Southeast).

Types of Assistance provided by **NJIT TAB** include (but are not limited to):

- **Guidance on funding opportunities**
- **Explaining laws and regulations**
- **Navigating regulatory programs**
- **Consultant Procurement (review of draft RFPs, creation of evaluation criteria, consultant selection)**
- **Review and critique of grant applications**
- **Interpretation of technical and scientific reports and data (such as site characterization results)**
- **Development of Strategic Plans**
- **Development of community specific site evaluation and prioritization processes**
- **Development of Corridor Assets and Needs Studies**
- **Development of Site Redevelopment Visions**
- **Explaining clean-up technologies**
- **Design and conduct of community engagement activities**
- **Educational workshops such as Brownfields 101**
- **Seminars, Webinars, and Boot Camps on specific brownfield related topics**
- **Community planning and visioning workshops**
- **All-EPA Brownfield grantee meetings**
- **And much more!**

**We tailor our assistance to your needs.**
