Discussion and vote on (7) proposed changes to University Senate Bylaws
All (7) items are outlined on the following pages.
Tiffany Small proposed a friendly amendment to ITEMS 2-7 so they would read as follows:

“The Chairperson, The Senior University Vice President for Administration and Treasurer, the Associate Vice President for Finance/Controller, one academic dean, five faculty members or
members of the Lecturers and Educators Congress (at least three of whom must be faculty members), two student members (one undergraduate and one graduate student, if possible), one member of the Administrators Council, one member of the Staff Council, and one member of the Alumni Association. A designee for any member may attend in their absence. At least one member of the standing committee shall be a voting member of the University Senate."

A discussion followed. The motion failed after a vote resulted in no approvals for the amendment.

A motion was made and seconded to approve all amendments proposed (items 1-7). There was a vote by show of hands and all were in favor. The motion carried.

Meeting was adjourned at 11:43 a.m.
