

**NJIT BOARD OF TRUSTEES  
PUBLIC SESSION MEETING**

**Thursday, February 5, 2026**

**PLEASE BRING TO MEETING**

## **Vision**

NJIT will transform the public polytechnic research university experience into an Innovation Nexus through unparalleled education, limitless innovation, and pioneering research to cultivate a diverse community of leaders and professionals.

## **Mission**

NJIT advances the state of New Jersey, the nation, and the world through its contributions as an Innovation Nexus:

- **Public Polytechnic University**—by harnessing the power of experiential learning to transform a diverse community of students into leaders, innovators, and global citizens.
- **Research Leader**—by advancing knowledge through high-impact basic, applied, and transdisciplinary research, and by developing technological solutions that advance the state-of-the-art and drive economic growth.
- **Innovation Partner**—by anticipating the needs of industry, government, and civic organizations to spur growth, innovation, and entrepreneurship.
- **Inclusive Workplace**—by engaging diverse colleagues whose differences build a strong community dedicated to accomplishing our vision.
- **Community Member**—by applying our technological expertise to serve and elevate the communities that NJIT calls home.

## **Core Values**

As Highlanders, our core values reflect our beliefs, guide our behavior, shape our culture, and establish a sense of community and common purpose.

### **Excellence**

We pursue excellence in all that we do in order to meet and sustain the highest standards of performance.

### **Integrity**

We conduct ourselves honestly and ethically.

### **Civility**

We treat one another with dignity and respect the opinions and viewpoints of others.

### **Sustainability**

We operate and innovate in a way that promotes stewardship of resources for present and future generations.

### **Social Responsibility**

We engage with the communities in which we live, study, and work to benefit society as a whole.

### **Diversity**

We create a sense of belonging by celebrating the differences of individuals so that all members of our community feel included and empowered.

### **Collaboration**

We recognize that individual skills and expertise are strengthened through cooperation and teamwork.

### **Courage**

We move forward by overcoming uncertainty, taking on challenges, and making sacrifices for the common good.

**NEW JERSEY INSTITUTE OF TECHNOLOGY  
BOARD OF TRUSTEES  
PUBLIC SESSION  
FEBRUARY 5, 2026  
4:00 - 5:00 PM**

**AGENDA**

**Call to Order**

**Attendance/Quorum**

- I. Notice of Meeting to Public** (Statement to be read by the Chair, a requirement of the NJ Open Public Meeting Act) **[pg. 4]**
- II. Minutes** (Approve minutes of November 6, 2025 Meeting) **[pg. 6]**
- III. Public Comments**
- IV. Presentation:** Student Life on Campus
- V. Action Items**
  - A.** Approve Resolution to Amend the Bylaws of the Board of Trustees **[pg. 12]**
  - B.** Approve Resolution for the Bachelor of Science Program in Biomedical Engineering Technology **[pg. 14]**
  - C.** Approve Resolution for the Bachelor of Science Program in Construction Management Technology **[pg. 17]**
  - D.** Approve Resolution for the Bachelor of Science Program in Software and Data Engineering Technology **[pg. 20]**
  - E.** Approve Resolution for Faculty Sabbatical Leaves **[pg. 23]**
  - F.** Approve Resolution for Lecturer Sabbatical Leaves **[pg. 27]**
  - G.** Approve Resolution of the Audited June 2025 Financial Statements **[pg. 30]**
  - H.** Approve Resolution for the Conditional Designation of the Developer for the Redevelopment of the MLK East Side, Block 43, Lots 30, 38, 39, 40, 41, 46, 48 **[pg. 33]**
- VI. Reports**
  - A.** Chair's Report (R. Cohen)
  - B.** President's Report (T. Lim)
  - C.** FY26 Fundraising Engagement (A. Kelly) **[pg. 40]**
  - D.** Chief Financial Officer Report (S. Kenney) **[pg. 43]**
  - E.** Clery Crime Data (A. Christ) **[pg.45]**
  - F.** Report of Upcoming Calendar of Events (R. Cohen) **[pg. 51]**
- VII. Announcement of Next Meeting** **[pg. 54]**
  - A.** Chair to read resolution regarding Closed Session to discuss Personnel, Legal, Real Estate and Contract Matters to be held on Thursday, April 9, 2026, 2:00 PM, Agile Strategy Lab, CKB.

Next public meeting: Thursday, April 9, 2026, 4:00 PM Agile Strategy Lab, CKB

**Adjourn Meeting**

**I. Notice of Meeting to Public** (Statement to be read by the Chair, a requirement of the NJ Open Public Meeting Act)

**NEW JERSEY INSTITUTE OF TECHNOLOGY**

**STATEMENT TO BE READ AT THE OPENING OF EACH  
MEETING OF THE BOARD OF TRUSTEES**

---

“NOTICE OF THIS MEETING WAS PROVIDED TO THE PUBLIC AS REQUIRED BY THE NEW JERSEY PUBLIC MEETING ACT, WHICH WAS SENT ELECTRONICALLY TO THE STAR LEDGER DIGITAL EDITION, THE HERALD NEWS AND THE VECTOR ON JANUARY 23, 2026 AND POSTED ON THE UNIVERSITY WEBSITE. THIS NOTICE WAS ALSO SENT ELECTRONICALLY TO THE COUNTY CLERK ON JANUARY 23, 2026 FOR FILING AND POSTING IN A PUBLIC PLACE AS DESIGNATED BY THAT SAID CLERK.”

## **II. Minutes (Approve minutes of November 6, 2025 Meeting)**

**NEW JERSEY INSTITUTE OF TECHNOLOGY**  
**BOARD OF TRUSTEES**  
**MINUTES OF PUBLIC MEETING (DRAFT)**  
**November 6, 2025**

The meeting was called to order by Chair Cohen at 3:03 pm in the Agile Strategy Lab, Central King Building, NJIT Campus. In attendance were: Chair Cohen, Vice-Chairs Clayton, DeNichilo, Shah, Stamatis and Toft, and Board Members Baynes, Broder, Dahms, Montalto, Maser, Shain and Vierheilig. Absent: Vice Chair Charters and Board Member Profeta.

**Senior Administration Present:** In attendance, President Lim, Executive Vice President Pelesko, General Counsel and Sr. Vice President of Legal Affairs and Board Secretary Curko, Sr. Vice Presidents Boger, Brady, Christ, Kelly, Vice Presidents Golden and Kaplan, Interim Senior Vice President Kenney, Chief of Staff Hageman, Chief of Public and Community Affairs Garretson, Chief of State Government Affairs Matt Bonasia and Chief Campus Culture Officer Jones.

1. In accordance with the New Jersey Open Public Meetings Act, Chair Cohen read the following statement:

“Notice of this Meeting was provided to the public as required by the New Jersey Open Public Meeting Act, in the Schedule of Meeting Dates of the Board of Trustees of the New Jersey Institute of Technology which was sent electronically to the Star Ledger, the Herald News and the Vector on October 9, 2025, and posted on the University website on October 9, 2025 for filing with that office and posting in such public place as designated by said Clerk.”

2. **Minutes:**

BY A MOTION DULY MADE BY MR. DAHMS, SECONDED BY MS. VIERHEILIG AND UNANIMOUSLY APPROVED BY THOSE MEMBERS IN ATTENDANCE AT THAT MEETING, THE BOARD APPROVED THE PUBLIC MINUTES OF THE MEETING OF SEPTEMBER 18, 2025. ABSTENTION FROM MR. MASER.

3. **Public Comments:**

Secretary Curko noted no one registered to speak.

4. **Presentation:**

Dean Hamilton presented the Board of Trustees Scholars: Ray Sama, Tarik Balci and Zoobia Saifullah Syeda.

5. BY A MOTION DULY MADE BY MR. SHAIN AND SECONDED BY MS. MONTALTO AND UNANIMOUSLY APPROVED, THE BOARD VOTED TO APPROVE THE RESOLUTION TO AUTHORIZE EXCLUSIVE LICENSE OF UNIVERSITY INTELLECTUAL PROPERTY.
6. BY A MOTION DULY MADE BY MR. SHAH AND SECONDED BY MS. MASER AND UNANIMOUSLY APPROVED, THE BOARD VOTED TO APPROVE THE RESOLUTION FOR ARCHITECTURAL AND ENGINEERING SERVICES FOR FENSTER HALL AND CAMPUS CENTER RENOVATIONS. ABSENTIONS FROM MR. TOFT AND MR. DAHMS.
7. BY A MOTION DULY MADE BY MS. CLAYTON AND SECONDED BY DR. BAYNES AND

UNANIMOUSLY APPROVED, THE BOARD VOTED TO APPROVE THE RESOLUTION FOR IMPLEMENTATION PHASE ADVISORY SERVICES FOR OAK HALL.

8. **Chair's Report:**

Chair Cohen emphasized the Trustees remain deeply engaged in navigating the ongoing impacts of federal decisions on higher education, including effects on student visas, federal grants, research activity, and long-term budget planning. These issues are not in a steady state and continue to require daily attention as the University makes deliberate decisions about resource deployment and future differentiation, underscoring that NJIT ultimately controls its own destiny. Chair Cohen shared recent international travel and public engagements, highlighting growing global recognition of the NJIT brand, with multiple unsolicited acknowledgments of the University across Europe and Asia—an affirmation of NJIT's strengthening reputation and a reminder that continued advocacy supports NJIT's global brand and market presence.

9. **President's Report:**

President Lim reflected on both the challenges and opportunities facing NJIT, expressing gratitude to the community for their dedication to the University's mission. He highlighted the largest first-year class in NJIT's history, the launching of innovative partnerships and startups, introducing new AI-focused degree programs, advancing national recognition in sustainability, and securing significant federal research funding. Additional successes in athletics and fundraising underscore the strength of the NJIT community, reinforcing confidence that, through collective passion, innovation, and perseverance, NJIT is well positioned for a bright and successful future.

10. **Athletics Report:**

Vice President Kaplan highlighted strong athletic and academic performance, with teams achieving historic success in cross-country, women's soccer, and men's basketball, alongside a highly accomplished and globally diverse student-athlete population representing 29 states and 27 countries and maintaining a 3.46 GPA for the 33rd consecutive semester above 3.0. Athletics continues to drive engagement, fundraising, community involvement, and national visibility, generating more than \$250 million annually in earned media value—primarily through basketball and other Division I exposure on ESPN. While acknowledging challenges from the transfer portal, NIL, and the House settlement, the FY26 strategy emphasizes fiscal discipline and staying competitive within NJIT's academic-focused conference.

11. **University Advancement:**

Sr. Vice President Kelly outlined significant restructuring and capacity-building within Advancement, with a focus on strengthening corporate and foundation relations, unifying corporate engagement across the institution and expanding frontline fundraising to accelerate endowment and programmatic growth. Strategic Communications, now integrated into Advancement, is undergoing a comprehensive audit, while brand momentum continues with strong earned media, social media reach, and web engagement.

12. **CFO Report:**

Interim Sr. Vice President and CFO Kenney reported that NJIT's \$809 million annual budget is largely driven by unrestricted operations, with a current negative variance of \$12.1 million (1.6%) primarily due to lower-than-expected graduate master's enrollment. The managed endowment has grown to over \$200 million with a strong 13.8% return, providing a positive offset to operational pressures.

13. **Clery Crime Data:**

Sr. Vice President Christ reported another successful downward trend overall in crime statistics. Public Safety held an enforcement event for driving under the influence, that allowed for educating the community, with no arrests.

14. Chair Cohen announced that the next regularly scheduled Closed Session will be held on February 5, 2026 at 2:00 pm to discuss personnel, real estate, legal and contractual matters.

The following resolution was read and approved by all Trustees present:

WHEREAS there are matters that require consideration by the Board of Trustees that qualify under the Open Public Meetings Act for discussion at a Closed Session;

NOW THEREFORE, BE IT RESOLVED, that the Board of Trustees shall have a Closed Session to discuss matters involving personnel, real estate, legal and contractual matters on Thursday, February 5, 2026 at 2:00 pm at the Agile Strategy Lab, Central King Building.

The next regularly scheduled Public Session of the Board will take place on Thursday, February 5, 2026 at 4:00 pm at the Agile Strategy Lab, Central King Building.

15. The Public Session was adjourned at 4:08 pm.

### **III. Public Comments**

## **IV. Presentation: Student Life on Campus**

## **V. Action Items**

- A. Approve Resolution to Amend the Bylaws of the Board of Trustees

**NEW JERSEY INSTITUTE OF TECHNOLOGY**

**RESOLUTION TO AMEND BYLAWS OF THE BOARD OF TRUSTEES**

**WHEREAS**, in furtherance of its review of best practices in Board governance, the Board of Trustees (“Board”) wishes to amend the Board bylaws; and

**WHEREAS**, the Board intends to amend the name and Committee charge for the Buildings and Grounds Committee; and

**WHEREAS**, this amendment will enable the Board to continue to govern in the best interests of the university; and

**NOW THEREFORE BE IT RESOLVED**, that the bylaws are hereby amended as follows:

1. Article IV (Committees of the Board), Section 1 (Standing and Special Committees) is amended to rename Section 1.2 (Buildings and Grounds Committee) to Section 1.2 (Facilities and Infrastructure Committee). Additionally, Section 1.2 is amended to eliminate the current description and replace same with the following language:

The Facilities and Infrastructure Committee considers and makes recommendations to the Board concerning campus master planning, and facilities planning, including property acquisition, new construction and renovation, and landscaping. The Facilities and Infrastructure Committee also oversees information technology systems planning, initiatives, and strategy. Two Student Committee Members may be appointed to serve on the Facilities and Infrastructure Committee for a one-year term that coincides with the Fiscal Year. The Student Committee Members must recuse themselves from, or be excused from discussion related to personnel, contract negotiations, transactions related to real property or investments, and matters falling within the attorney-client privilege.

2. Except as otherwise specifically amended by this Resolution, the existing Bylaws shall remain unchanged.

President of Legal Affairs and  
Secretary to the Board of Trustees  
New Jersey Institute of Technology

February 5, 2026  
Board Resolution 2026-xx

## **V. Action Items**

- B. Approve Resolution for the Bachelor of Science Program in Biomedical Engineering Technology

# **NEW JERSEY INSTITUTE OF TECHNOLOGY**

## **STATEMENT**

### **RESOLUTION TO APPROVE THE BACHELOR OF SCIENCE PROGRAM IN BIOMEDICAL ENGINEERING TECHNOLOGY**

New Jersey Institute of Technology (NJIT) proposes a B.S. in Biomedical Engineering Technology, which currently exists as a concentration in the B.S. in Engineering Technology degree. The B.S. in Biomedical Engineering Technology would continue to provide students with a multidisciplinary plan of study combining Engineering/Engineering Technology courses in Biomedical, Mechanical, Manufacturing, and the Industrial areas.

Biomedical Engineering Technology students acquire broad skills to pursue several career areas. Graduates of the program will be prepared for applied careers in technical areas including: medical devices, tissue engineering, food processing, patient-specific implants and technologies, medical image processing, rehabilitation technologies, and medical software development and implementation. Nationally, and especially in this region, there is a critical and growing need for producing a workforce skilled in Biomedical Engineering Technology throughout industry and government.

Students graduating with a B.S. degree in Biomedical Engineering Technology should anticipate the acquisition of skills, knowledge, scholarly abilities, and professional training that are consistent with the following Program Criteria: (1) the interaction of medical equipment, devices and tissue-based products with the human body; (2) the principles of medical equipment, devices and tissue-based product, safety and operational tests, the use of test results in order to improve processes and ensure proper safe functioning with appropriate documentation; (3) the clinical application of computer networks, networking protocols, and medical device interoperability including data security and privacy standards; (4) identification of potential unsafe conditions related to medical equipment, devices, systems, and tissue-based products, and the implementation of preventive and corrective actions, including risk mitigation strategies; (5) technology utilized in specialized clinical areas such as patient imaging and the operating room, including the interconnectedness (connectivity) of medical devices and systems; (6) the principles of project management to healthcare and other regulated settings; and (7) contract administration, legal requirements, and delivery methods; (8) the financial information associated with the process of clinical equipment acquisition, management and support including budgeting and life-cycle planning. This will enable graduates to pursue applied careers in industrial sectors, academia, and government.

The B.S. degree program will be managed by the School of Applied Engineering and Technology (SAET) in the Newark College of Engineering (NCE) at NJIT. The proposed program is within the mission of the university, aligning with NJIT's commitment to the pursuit of excellence in education and research. The program will prepare students for productive careers and amplify their potential for lifelong personal and professional growth. The program proposal has received the approval of all appropriate shared governance bodies of the university, is not unduly duplicative of other programs offered in the State of New Jersey, and has been the subject of a Program Announcement issued to institutions of higher education in the State of New Jersey.

## **NEW JERSEY INSTITUTE OF TECHNOLOGY**

### **RESOLUTION TO APPROVE THE BACHELOR OF SCIENCE PROGRAM IN BIOMEDICAL ENGINEERING TECHNOLOGY**

**WHEREAS**, the Board of Trustees has examined materials provided by the President of the University relative to a proposed program leading to the Bachelor of Science (B.S.) in Biomedical Engineering Technology (BMET); and

**WHEREAS**, the Board is satisfied that the proposed program is within the mission of the university and has received approval of the appropriate shared governance bodies of the university and is not unduly duplicative of other programs offered by other public institutions of higher education in the State of New Jersey; and

**WHEREAS**, the proposed program has been the subject of a Program Announcement issued to institutions of higher education in the State of New Jersey; and

**WHEREAS**, the incremental costs of the new program will be covered from the tuition and fees of new students; and

**WHEREAS**, the Board of Trustees attests to the foregoing;

**NOW THEREFORE BE IT RESOLVED**, that the Board of Trustees of New Jersey Institute of Technology approves the program for Bachelor of Science (B.S.) in Biomedical Engineering Technology, and authorizes all administrative actions necessary to implement the same.

Board Resolution No. 2026-XX

## **V. Action Items**

- C. Approve Resolution for the Bachelor of Science Program in Construction Management Technology

# **NEW JERSEY INSTITUTE OF TECHNOLOGY**

## **STATEMENT**

### **RESOLUTION TO APPROVE THE BACHELOR OF SCIENCE PROGRAM IN CONSTRUCTION MANAGEMENT TECHNOLOGY**

New Jersey Institute of Technology (NJIT) proposes a B.S. in Construction Management Technology, which currently exists as a concentration in the B.S. in Engineering Technology degree. The B.S. in Construction Management Technology would continue to prepare students for the application of management, accounting principles, communication, and construction technology towards the realization of construction projects.

Construction management technologists apply broad skills to interface with design professionals, project owners, and trades people. Graduates of the program are successful contractors, construction managers, project executives, project managers, construction inspectors, and safety professionals. Nationally, and in this region, there is a growing need for producing an applied workforce with bachelor's level education to address the growing number of infrastructure projects.

Students graduating with a B.S. degree in Construction Management Technology should anticipate the acquisition of skills, knowledge, scholarly abilities, and professional training that are consistent with the following Program Criteria: (1) Construction project management from pre-design through completion; (2) risk management including identification, analysis, and mitigation; (3) cost estimating including types, levels, and accuracy; (4) principles and methods of value engineering; (5) financial management including budgeting, cost control, and forecasting; (6) schedule management including development, forecasting, and planning; (7) contract administration, legal requirements, and delivery methods; (8) project sustainability including materials and methods of construction; (9) construction systems and constructability analyses; (10) leadership including business, communication skills, and behavioral awareness; (11) labor and workforce planning and management; (12) construction health and safety, accident prevention, and regulatory compliance; and (13) advancements in construction technology. This will enable graduates to pursue applied careers in industrial sectors, academia, and government.

The B.S. degree program will be managed by the School of Applied Engineering and Technology (SAET) in the Newark College of Engineering (NCE) at NJIT. The proposed program is within the mission of the university, aligning with NJIT's commitment to the pursuit of excellence in education and research. The program will prepare students for productive careers and amplify their potential for lifelong personal and professional growth. The program proposal has received the approval of all appropriate shared governance bodies of the university, is not unduly duplicative of other programs offered in the State of New Jersey, and has been the subject of a Program Announcement issued to institutions of higher education in the State of New Jersey.

## **V. Action Items**

- D. Approve Resolution for the Bachelor of Science Program in Software and Data Engineering Technology

# **NEW JERSEY INSTITUTE OF TECHNOLOGY**

## **STATEMENT**

### **RESOLUTION TO APPROVE THE BACHELOR OF SCIENCE PROGRAM IN SOFTWARE AND DATA ENGINEERING TECHNOLOGY**

New Jersey Institute of Technology (NJIT) proposes a B.S. in Software and Data Engineering Technology, which currently exists as a concentration in the B.S. in Engineering Technology degree. The B.S. in Software and Data Engineering Technology would continue to provide students with a multidisciplinary plan of study combining courses in Computer/Data Science, Engineering Technology, and Management.

Software and Data Engineering Technology students acquire broad skills to pursue several career areas. Graduates of the program hold successful positions as computer application programmers, software engineer technologists, data engineer technologists, computer security professionals, database administrators, computer system managers, computer network managers, customer support engineers, sales representatives, medical records specialists, or educator and trainer in the field of computer and data applications. Nationally, and especially in this region, there is a critical and growing need for producing a workforce skilled in Software and Data Engineering Technology throughout industry and government.

Students graduating with a B.S. degree in Software and Data Engineering Technology should anticipate the acquisition of skills, knowledge, scholarly abilities, and professional training that are consistent with the following Program Criteria: (1) application of computer and network hardware, operating systems, system and network administration, programming languages, application software, databases, and cloud computing platforms in the design, testing, operation, and maintenance of integrated hardware and software systems; (2) application of electrical, electronic, telecommunications, automation, control systems, and digital signal propagation fundamentals in the development, testing, operation, and maintenance of software-driven systems, including embedded and cyber-physical systems; (3) application of legal, ethical, and security principles involving data and information, including privacy standards, regulatory compliance, and responsible use of emerging technologies; (4) design, implementation, maintenance, and security of facilities and infrastructures that process, store, and transfer information, including computer networks, distributed systems, and interoperable medical and industrial devices; and (5) application of project management techniques to facilities and environments that process and transfer information, including automation and control systems in healthcare, manufacturing, and construction industry sectors; and (6) utilization of modeling and analysis to support facilities and systems that process and transfer information. This will enable graduates to pursue applied careers in industrial sectors, academia, and government.

The B.S. degree program will be managed by the School of Applied Engineering and Technology (SAET) in the Newark College of Engineering (NCE) at NJIT. The proposed program is within the mission of the university, aligning with NJIT's commitment to the pursuit of excellence in education and research. ## **V. Action Items**

- E. Approve Resolution for Faculty Sabbatical Leaves for Academic Year 26-27

**NEW JERSEY INSTITUTE OF TECHNOLOGY**

**STATEMENT**

**RESOLUTION TO APPROVE FACULTY SABBATICAL LEAVES  
FOR ACADEMIC YEAR 26-27**

NJIT's sabbatical leave policy exists to enhance the professional development and increase the research and scholarly production of Faculty by relieving them of their teaching and service responsibilities for a semester or an academic year.

The administration recommends these actions. The attached resolution has been prepared for your consideration.

## NEW JERSEY INSTITUTE OF TECHNOLOGY

### RESOLUTION TO APPROVE FACULTY SABBATICAL LEAVES FOR ACADEMIC YEAR 26-27

**WHEREAS** NJIT's sabbatical leave policy exists to enhance the professional development and increase the research and scholarly production of Faculty by relieving them of their teaching and service responsibilities for a semester or an academic year; and

**WHEREAS** those faculty members recommended for sabbatical leave during the academic year 2026-2027 will be enriched by this opportunity to immerse themselves in creative, scholarly, and research activities and will thus enhance not only their value to NJIT, but this university's image as well; and

**WHEREAS** the following individuals have submitted applications for, and are to be granted sabbatical leave for the Academic Year 2026-2027: Darius Sollohub, Maria Hurtado de Mendoza, Daphne Soares, David Rothenberg, Philip Klobucar, Casey Diekman, John Bechtold, Lou Kondic, I Joga Rao, Grace Wang, Jacob Chakareski; and

**WHEREAS** the following individuals have submitted applications for, and are to be granted sabbatical leave for the Fall 2026 semester: Andrei Sirenko, N. Ravindra, Yi Chen, Chase Wu; and

**WHEREAS** the following individuals have submitted applications for, and are to be granted sabbatical leave for the Spring 2027 semester: Ming Taylor, Sergei Adamovich, Julie Ancis, and

**WHEREAS** the administration recommends that said sabbatical leaves be granted;

**NOW, THEREFORE BE IT RESOLVED**, that the Board of Trustees approves the sabbatical leave recommendations noted below:

Darius Sollohub	Architecture	2026-2027
Maria Hurtado de Mendoza	Architecture	2026-2027
Daphne Soares	Biological Sciences	2026-2027
David Rothenberg	Humanities and Social Sciences	2026-2027
Philip Klobucar	Humanities and Social Sciences	2026-2027
Casey Diekman	Mathematical Sciences	2026-2027
John Bechtold	Mathematical Sciences	2026-2027
Lou Kondic	Mathematical Sciences	2026-2027
Andrei Sirenko	Physics	Fall 2026
N. Ravindra	Physics	Fall 2026
Yi Chen	Martin Tuchman School of Management	Fall 2026
Ming Taylor	Martin Tuchman School of Management	Spring 2027

Sergei Adamovich	Biomedical Engineering	Spring 2027
I Joga Rao	Mechanical and Industrial Engineering	2026-2027
Grace Wang	Computer Science	2026-2027
Chase Wu	Data Science	Fall 2026
Jacob Chakareski	Informatics	2026-2027
Julie Ancis	Informatics	Spring 2027

## **V. Action Items**

- G. Approve Resolution of the Audited June 2025 Financial Statements

## **NEW JERSEY INSTITUTE OF TECHNOLOGY**

### **STATEMENT**

#### **RESOLUTION TO ADOPT JUNE 30, 2025 AUDITED FINANCIAL STATEMENTS**

Management is responsible for the preparation and fair presentation of financial statements in accordance with accounting principles generally accepted in the United States of America; this includes the design, implementation, and maintenance of internal controls relevant to the preparation and fair presentation of financial statements that are free from material misstatement, whether due to fraud or error.

The University's financial statements include a statement of net position at June 30 2025 and 2024, and statements of revenues, expenses, and changes in net position and of cash flows for the years then ended. The financial statements are prepared in accordance with U.S. generally accepted accounting principles as promulgated by the Governmental Accounting Standards Board (GASB).

The financial statements have been audited by the independent certified public accounting firm of Grant Thornton LLP. Their opinion states that the financial statements fairly and appropriately reflect business-type activities of New Jersey Institute of Technology as of June 30, 2025 and 2024, and the changes in its net position and its cash flows for the years then ended are in accordance with accounting principles generally accepted in the United States of America.

**NEW JERSEY INSTITUTE OF TECHNOLOGY**  
**RESOLUTION TO ADOPT FINANCIAL STATEMENTS AND REPORT OF**  
**INDEPENDENT CERTIFIED PUBLIC ACCOUNTANTS**

**WHEREAS**, the independent certified public accounting firm of Grant Thornton LLP has completed its examination of the financial statements of the university for the fiscal years ended June 30, 2025 and 2024; and

**WHEREAS**, the administration has presented said Audited Financial Statements and Report of Independent Certified Public Accountants to the Audit and Finance Committee, and

**WHEREAS**, said Audit and Finance Committee of the Board has reviewed these same reports and recommends acceptance of the FY25 Audited Financial Statements, and

**NOW THEREFORE BE IT RESOLVED** that the Board of Trustees accepts the Audited Financial Statements, June 30, 2025 and 2024, which were audited by the independent certified public accounting firm of Grant Thornton LLP.

President of Legal Affairs, and  
Secretary to the Board of Trustees  
New Jersey Institute of Technology

February 5, 2026  
Board Resolution No. 2026-xx

## **V. Action Items**

- H. Approve Resolution for the Conditional Designation of the Developer for the Redevelopment of the MLK East Side, Block 43, Lots 30, 38, 39, 40, 41, 46, 48

## NEW JERSEY INSTITUTE OF TECHNOLOGY

### STATEMENT

#### **RESOLUTION OF NEW JERSEY INSTITUTE OF TECHNOLOGY ("NJIT") APPROVING THE CONDITIONAL DESIGNATION OF A DEVELOPER FOR THE REDEVELOPMENT OF THE MLK GATEWAY EAST SIDE, BLOCK 43 LOTS 30, 38, 39, 40, 41, 46, 48**

##### **Background:**

In September 2007, NJIT, in cooperation with other area stakeholders, created the NJIT Gateway Plan for the redevelopment and rehabilitation of approximately 21.5 acres of land located within the City of Newark in order to serve as a gateway between the NJIT campus and existing neighborhoods and enhance the quality of life of both NJIT and existing residential communities.

Due to a multitude of mitigating circumstances, including, but not limited to, the three previous development relationships that did not progress to NJIT's satisfaction, these designations expired and/or were terminated. The NJIT Administration recently undertook a request for qualifications process to engage potential developers to partner on the MLK Gateway east-side redevelopment. Three firms submitted qualifications and were then invited for interviews to further discuss their qualifications, plans, and the financial viability of the redevelopment.

**XYZ Developer**, New Jersey, demonstrated strong qualifications and a strong interest in working with NJIT on the Gateway redevelopment. NJIT administration, with the assistance of two members of the Board of Trustees Buildings and Grounds Committee, concluded that **XYZ Developer** demonstrated significant experience in bringing together capital resources, making the successful financing of the redevelopment achievable, which had been a major hurdle in the past. Additionally, they have extensive experience completing development projects in the City of Newark.

##### **Implication:**

- Granting a conditional developer designation provides exclusivity to **XYZ Development**, allowing for the appropriate development analysis, investigation, and due diligence to be completed.
- Developer is required to complete a list of tasks and achieve milestones to maintain the designation.
- If progress is not deemed satisfactory, NJIT has the right to terminate this conditional designation.

##### **Recommendation:**

Grant the conditional developer designation through November 5, 2026, with intermediate updates prior to the July and September 2026 Board of Trustees meetings, allowing analysis of progress to date.

**NEW JERSEY INSTITUTE OF TECHNOLOGY**

**RESOLUTION OF NEW JERSEY INSTITUTE OF TECHNOLOGY ("NJIT") APPROVING  
THE CONDITIONAL DESIGNATION OF A DEVELOPER FOR THE REDEVELOPMENT OF  
THE MLK GATEWAY EAST SIDE, BLOCK 43 LOTS 30, 38, 39, 40, 41, 46, 48**

**WHEREAS**, on January 21, 2009, the Municipal Council of the City of Newark (the "Municipal Council") in accordance with the provisions of the Local Redevelopment and Housing Law, N.J.S.A. 40A:12A-1 et seq., as amended and supplemented, enacted Ordinance No. 6PSF-a012109 adopting a redevelopment plan (the "Redevelopment Plan") for that portion of the City of Newark (the "City") known as the "Broad Street Station Area" for; and

**WHEREAS**, on January 21, 2009, the Municipal Council designated NJIT as the redeveloper of that portion of the Broad Street Station Area known as the "NJIT Gateway Area" and the City and NJIT have entered into a redevelopment agreement dated October 19, 2009 (the "Redevelopment Agreement") for the redevelopment of the NJIT Gateway Area, which area includes, among other sub-projects, the MLK Gateway Sub-Project (as such term is defined in the Redevelopment Agreement); and

**WHEREAS**, a portion of the MLK Gateway Sub-Project commonly referred to as "MLK Gateway East", relates to those certain properties within the City known as Block 43, Lots 30, 38, 39, 40, 41, 46, 48, as shown on the City's Tax Maps in the University Heights District (collectively, the "Property"); and

**WHEREAS**, the Redevelopment Agreement provides that NJIT may carry out the redevelopment of the NJIT Gateway Area in its own name or through an entity of which NJIT retains control; and

**WHEREAS**, it is the intention of NJIT that the acquisition of the Property and its redevelopment be carried out through a to-be-formed entity ("CGF Entity"), whose members will include Campus Gateway Foundation, Inc., a New Jersey not-for-profit corporation ("CGF"), and an experienced development partner to provide direction, financing, and oversight of the redevelopment process, subject to control by NJIT's subsidiary CGF; and

**WHEREAS**, NJIT is in receipt of a letter of interest and qualifications from **XYZ Developer**; and

**WHEREAS**, the **XYZ Developer** has the experience and resources necessary to effectively implement a large-scale, mixed-use development; and

**WHEREAS**, NJIT will conditionally designate the CGF Entity as the Redeveloper for the MLK Gateway Sub-Project; and

**WHEREAS**, as part of the conditional designation, **XYZ Developer** will prepare a detailed proposal for the redevelopment of the Property, which redevelopment is expected to include the construction on the Property of residential units, ground floor retail spaces in a manner compliant with the Redevelopment Plan (the "Project"); and

**WHEREAS**, if the proposal for the Project is acceptable to NJIT, NJIT expects to enter into a development agreement (the "Development Agreement") between NJIT and the CGF Entity, in order to set forth the terms and conditions under which the CGF Entity shall carry out the obligations of NJIT with respect to the redevelopment of the Property in accordance with the Redevelopment Agreement.

**NOW, THEREFORE, BE IT RESOLVED THAT THE NEW JERSEY INSTITUTE OF TECHNOLOGY BOARD OF TRUSTEES HEREBY:**

1. Conditionally designates, XYZ Developer, as developer for the Project, on an exclusive basis, subject to the following conditions:

- (i) XYZ Developer completes the project tasks annexed to this Resolution as Appendix A.
- (ii) XYZ Developer prepares and obtains this Board's approval of its Project proposal, which such approval may be given or withheld by this Board in its sole discretion.
- (iii) XYZ Developer provides interim updates to NJIT on the status of the development of its proposal on or before June 30, 2026, and on or before August 31, 2026. NJIT may also periodically request additional updates from XYZ Developer, which updates shall be provided to NJIT within two (2) business days of such request.
- (iv) Upon receipt of this Board's approval of the Project proposal:
  - (a) CGF and XYZ Developer enter into a joint venture agreement forming the CGF Entity that complies with the Redevelopment Agreement.
  - (b) NJIT and the CGF Entity enter into the Development Agreement upon terms and conditions to be approved by this Board of Trustees in its sole discretion.

3. The above designation may be terminated at any time if this Board concludes, in its sole discretion, that there has not been sufficient evidence of progress on the satisfaction of these conditions.

4. If not otherwise terminated, the above designation shall expire if each of the foregoing conditions are not satisfied by November 5, 2026 at the sole discretion of this Board.

5. Authorizes the Administration to negotiate the terms and conditions of the Development Agreement with XYZ Developer.

6. Grants no rights to XYZ Developer with respect to the Project other than the right to negotiate exclusively as described above and grants no rights to the development of the same, any such rights to be established exclusively in the Development Agreement if the same can be agreed upon.

New Jersey Institute of Technology

February 5, 2026  
Board Resolution 2026-XX

## **APPENDIX A – PROJECT TASKS**

### **Within 90 days of Conditional Designation by NJIT:**

- Provide a conceptual design of the MLK Gateway Development east side in conformance with the NJIT Gateway Redevelopment Plan, Broad Street Station District Redevelopment Plan, the Redevelopment Agreement between the City of Newark and New Jersey Institute of Technology, and the conditional approval from the State of New Jersey Historic Preservation Office, including, but not limited to, the following:
  - Quantity of commercial and retail space square footage and potential uses
  - Types and counts of residential units
  - Quantity and layout of parking spaces for development use
- Develop a pro-forma analysis of the development, denoting all sources and uses of funds, proposed rental rates, development fees, and profits.
- Conduct and/or review the available information on the following:
  - Environmental investigation
  - Geotechnical investigation
  - Title searches
- Hold meetings with the following constituent groups to outline the project intent and timeline:
  - State of New Jersey Historic Preservation Office
  - James Street Commons Historic District Community Group
  - City of Newark Deputy Mayor for Economic and Housing Development
- Create the framework for a draft Development and Operating agreement between the parties based on the sample agreement provided as part of this RFQ
- Submit a detailed Project timeline that delineates key pre-development and development milestones to NJIT.

## **VI. Reports**

### **D. Chief Financial Officer Report**

## Monthly CFO Report As of December 31, 2025

### EXECUTIVE SUMMARY

**FY26 OPERATING BUDGET** - The Board approved the **University Operating Budget of \$809.0M on 7/17/25**. This comprises **\$568.2M for NJIT's unrestricted operations, \$215.3M for NJIT's restricted operations, and \$25.5M for NJIT operations**. The financial status of each is detailed in the following sections.

- NJIT net operations, as of early January, reflect a **negative operating balance of -\$2.9M**. This projection is comprised of:
  - **Projected FY26 Net Tuition & Fee Revenue is -\$5.8M below the approved FY26 budget.**
    - While Undergraduate and PhD enrollments exceeded targets by 228 students, +2.3%, and 80 students, +16.9%, respectively, Master's enrollment is down by -202 students, -9.5%, compared to the fall semester enrollment target.
  - **Indirect cost recovery** is projected to exceed the original budget by **+\$1M**.
  - **An increase of +\$14.8M for non-recurring funding and expenses** mainly associated with BioC proceeds supporting **Project SPARK**.
  - **-\$1.9M in additional personnel savings** mainly attributed to a hiring freeze and a more favorable projection for PhD stipends than what was previously estimated.
- **Auxiliary revenues for FY26 are currently \$2.8M or 9.5% ahead of this time last year.** In FY26, NJIT Residence Halls (excluding Maple Hall) had a 3.99% rate increase. Occupancy increased by 115 beds, representing a 4.4% year-over-year growth.
- **Restricted Program activity from research, faculty start-up funds, and restricted student awards is up compared to the prior year by \$6.3M or 6.2%** Of that amount, research-related equipment, supplies, and contract services are up \$4.1M, personnel expenses are up \$2.6M and restricted student awards are down \$0.5M compared to the prior year.
- **NJIT's year-to-date net loss is -\$3.8M.** YTD Operating Margin improved by \$1.5M from November. The primary drivers of improvement are attributable to the completion and continued execution of two Healthcare Grants: 1) NJHIN Modernization Agreement and 2) NJHIN Management Agreement which in total delivered \$4.8M of Revenue for the month. Additionally, Operating Cash position has also greatly improved with a current balance of \$2.7M, and with an additional \$2.7M of current invoices pending payment.

**CASH BALANCES** - The University's overall operating cash balances totaled \$109.7M as of December compared to last year's December balance of \$153.4M, a decrease of -\$43.7M (-28.5%). This year-over-year decline is predominantly attributable to increased payroll, operational, and project costs, the liquidation of two years of investment earnings to cover operating expenses, and decreased student tuition receipts. For context, total cash outflows exceeded cash inflows over the last 12 months by \$56.2M, which was offset by positive investment returns totaling \$12.5M. With the exception of January and February when Spring tuition payments are received, net negative cash flow is projected to continue through the end of the summer. Operating balances could decrease to as low as \$75.0M by June 30, 2026, which would represent an almost 50% erosion of cash over the past 24 months.

Investment income (net of fees) in December totaled \$1.0M, bringing the fiscal year-to-date total income to \$7.4M (+5.9%). (Page 5).

**MANAGED ENDOWMENT** - The market value of the managed endowment investments at the end of December 2025 was **\$213.3M** compared to \$181.1M at the same time last year, an increase of **+\$32.2M (+17.8%)**. The value of the managed endowment increased on a monthly basis in December by **+\$1.9M (+0.90%)**. Capital Appreciation made up 65% of the portfolio, Diversifiers totaled 25%, and Liquidity Reserve investments accounted for 10%. (Page 9).
