

New Jersey Institute of Technology 2017-2018 Academic Year University Fee

The 'University Fee' is charged to students enrolled in college-credit courses at NJIT. The University fee is assessed at \$170 per credit hour rate for students taking less than 12 credits per semester and is capped for full-time students (12-19 credits) at the flat rate of \$1,441.00 per semester. Over 19 credits is it assessed at a per credit rate. For summer and winter sessions, the University Fee is assessed to all students at a flat rate of \$176.00.

The purpose of this fee is to continue to help support a portion of the costs associated with an array of varied, but integral services and projects that directly affect our students. Some of these important areas include:

- Overall support of our Student Health Services Office which offers treatment to currently enrolled students for acute illnesses, urgent care situations, and certain health promotion needs
- The Campus Center, which organizes and promotes signature social events on campus, enriching campus life through community building and tradition
- Providing support for expansion and upgrades to computer labs and academic technology needs
- Supporting a portion of debt service to fund recently constructed, or on-going renovations to existing buildings
- Admissions, student services, career services, and an array of academic, student, and athletics programs.
