On behalf of the NJIT community, I would like to welcome you to Spirit Week and NJIT Day 2017!

We believe that parents and family members are our strongest allies and resources in our efforts to support student success. It is clear that the students who are accepted and enroll at NJIT — undergrad, transfer, graduate, and professional — are among the best and brightest in the world. This next stage of their journeys will offer a multitude of learning opportunities in and out of the classroom. A variety of university units are supporting your students in their out-of-classroom experiences and we hope Spirit Week & NJIT Day offers you a small glimpse into their lives, while they pursue their degree.

This wonderful series of events were designed to bring together students, families, faculty, staff, alumni and community members. We hope you’ll enjoy your time with us!

Dr. Marybeth Boger, Dean of Students and Campus Life
