

## RECRUIT YOUR FUTURE LEADERS THROUGH NJIT'S CO-OP PROGRAM AND BENEFIT FROM:

**Fresh ideas, innovation,  
& creative problem  
solving skills from  
students**

**Reduced labor costs  
by augmenting staff  
with talented pre-  
professionals**

**Recruit top STEM  
students before  
they enter  
the job market**

**Heightened company  
recognition &  
awareness among  
students**

# CO-OP @ NJIT

Participate in our structured program that provides students the opportunity to gain paid professional work experience in their field of study before graduation

## STUDENTS

- 3,000+ eligible undergraduates from Biomedical, Chemical, Civil, Computer, Construction, Electrical, Industrial, Manufacturing, & Mechanical Engineering programs
- Junior/Senior standing, 2.5 + GPA

## CO-OP CYCLES

Our diverse, high tech students are eligible to work full time up to 8 months

**Spring:** January – August

**Fall:** May – December

## COMPENSATION

Typical pay rates start at \$15/hour for juniors and \$25/hour for seniors
