# Developing a winning resume

## Resume Formats

There is no “perfect” or right resume format. The format you choose will depend upon the job you hope to find and your past experiences. The following pages show resume formats. Look them over and determine what format or combination of formats will present you in the best possible light. Remember, the purpose of a resume is to get you a job interview. The interview gets you the job.

## General Resume Guidelines

The following guidelines are just that—guidelines for what to include in a good resume. Remember, your résumé’s function is to obtain a job interview for you. Use your common sense and imagination to highlight your background and experience in a well-focused resume.

## Length

- A one-page resume works well for the recent graduate. If you have an extensive work history, two pages are reasonable. Remember, individuals with extensive work history should limit information to what is pertinent to their current job objective. If you do go to two pages, make sure the most important information is stated on the first page.

## Appearance

- An organized readable layout determines whether a resume is read. Direct the reader’s eye with the format. Make sure it is well- organized and concise. Avoid dense text appearance that is difficult to read.
- Consider using high-quality white or off-white paper.
- Always type or word-process your resume and have it professionally copied.
- Make sure there are no typographical, spelling, or grammatical errors.
- Information that has been crossed out or handwritten is unacceptable.
- Make sure your resume will copy well. Do a photocopy test.

## Content (See the following resume categories)

- Design your resume with a particular objective in mind. Present information important to the objective first.
- List information in descending order of importance.
- Be selective about what you include in your resume, but never falsify or exaggerate information.
- Concentrate on the positive and use action verbs to describe your background.

## Resume Inventory

The following categories are usually found in a resume. These are suggestions. You should adopt those that best fit your needs.

## Necessary Categories

## Objective

In one sentence, simply state the type of work that you’d like to do. If you have one special interest, state it as a special interest (...with a special interest in Network Administration). Similarly, if you have several interests, state them using the connective word “and” (...with interests in Programming and Database Management). If you have no real preference, identify at least two as general using the word “or” (...with general interests in Digital Design or Signal Processing).

## Education

Include GPA only if 3.0 or greater. If your overall GPA is less than 3.0 and your average in your major is 3.0 or greater (e.g., all E.E. courses), use that instead (e.g., Major GPA: 3.2). Also, list all schools attended after high school and include any Certifications or additional Training Certificates, listing the most recent first and working backward.

## Honors/Awards

Include scholarships, honor societies, honor programs, and special awards. Also include any recognition from your community, job, or service organizations.

## Key Courses

Include courses that are directly related to your **Objective**, not basic courses taken by all students. If you have a special interest in Networking and have taken courses in Networking, those courses should be listed by name. Do not include course numbers.

## Computer Skills

Must be included, regardless of your major. Categorize according to Proficient (know very well), Working Knowledge (know well enough to work with), and Familiar (limited knowledge). Computer Science majors may wish to identify skills categorized by Languages, Operating Systems, Databases, and Applications.

## Projects

This category should be added after **Computer Skills**, especially if **Work Experience** is weak or nonexistent. Include Senior or Master’s Projects, course projects, and/or challenging class assignments. Use the same format for Projects as shown in **Work Experience**.

## Work Experience

Format with bullets as shown. Begin each phrase with a Power Verb, emphasizing special accomplishments. Use fragmented sentences and avoid personal pronouns such as I, me, or we.

## Professional Affiliations

Include any and all organizations with which you have an affiliation such as IEEE, ASME, NSBE, HOST/SHPE, etc. However, write the full organization name instead of using the initials. List all offices held and positions of leadership, such as President, Secretary or Committee Chairperson.

## Hobbies/Interests

Any activities that you enjoy, such as music, reading, or sports.

## Activities

Include your participation in organizations with which you have more than just an interest, such as a specific varsity or intramural sport, fraternity, sorority, campus organization or club. Include community activities as well, and list all leadership positions and offices held.

## Action Word List

### Examples of Action Words That Describe Your Functional Skills

Abstracted	Calculated	Dealt	Exceeded	Improvised	Memorized	Promoted	Shaped
Achieved	Cared	Debated	Excelled	Inaugurated	Mentored	Proposed	Skilled
Acquired	Charged	Decided	Expanded	Increased	Met	Protected	Solicited

## Sample Chronological Resume

### Andre Diaz

3967 N. Woods Avenue

Paramus, NJ 07612

Phone: 973.555.5555

E-mail: [DiazA@netlink.net](mailto:DiazA@netlink.net)

---

### Objective

To obtain a position as a network administrator where I can use my education and experience to the benefit of a growth-oriented company.

### Education

#### **New Jersey Institute of Technology, Newark, NJ**

MS, Information Systems, May 2024

GPA 3.5

#### **Rutgers University, New Brunswick, NJ**

BS, Information Systems, May 2022

GPA 3.1

### Experience

June 2022-Present

#### **Intranet Inc., Elizabeth, NJ**

##### **Technical Analyst**

- Create databases to store client information which increased accuracy by 80%
- Update company web page using Java and JavaScript
- Provide help desk support to an office of 150 employees

2021-2022

#### **Radio Shack, Paramus, NJ**

##### **Sales Associate**

- Demonstrated strong customer services skills in selling
- Sold over \$3500 in electronic products monthly
- Awarded Sales Associate of the Month three times
- Created database to track and maintain inventory records

2020-2021

#### **Rutgers University, New Brunswick, NJ**

##### **Library Clerk**

- Assisted with circulation desk activities such as check-in, check-out, stocking shelves, inventory control, and creating new library accounts
- Trained new employees on all procedures

### Skills

Operating Systems: UNIX (Sun Solaris), Linux, Windows 95,98, 2000, 10

Languages: C, C++, Java, JavaScript, Visual Basic, Perl, Cobol

Applications: MS Word, MS Excel, MS Access, MS FrontPage, MS Project, SAS, Adobe PhotoShop

### Professional/ Community Affiliations

Chapter President, The American Association of Computing Machinery

Secretary, Omicron Delta Kappa-National Leadership Honor Society

Captain, Intramural Soccer

Volunteer, St. James School, Newark, NJ

Volunteer, Women's Resource Center, Cranford, NJ

## Sample Functional Resume (skills-based)

### Professional Profile

Three years of experience as a licensed Civil Engineer. Drafted plans and served as Project Manager for multimillion dollar renovation projects including bridges, highways, residential facilities, and industrial parks. Proficient in AutoCad and Pro-Engineer. Ability to supervise and interact well with all levels of management.

### Career Highlights

#### Project Management:

- Supervised drafters and field engineers for bridge, highway, and building renovation projects
- Oversaw budgets of up to \$4 million.
- Conducted team meetings and maintained cooperative liaison between management, field engineers, and drafters

#### Drafting:

- Proficient in using AutoCad and Pro-Engineer to draft a variety of projects for construction of bridges, highways, and industrial parks
- Served as Senior Drafter for construction of an assisted living facility
- Created presentation plans to senior management for approval

#### Field Engineering:

- Surveyed land to determine building protocol
- Served as team leader during the construction of a new highway bridge

### Experience

2022-Present

#### Ross Engineering, New York, NY

Project Manager

2020-2022

#### KB Associates, Bridgewater, NJ

Drafter

### Education

#### New Jersey Institute of Technology, Newark,

NJ MS, Civil Engineering, May 2024

GPA 3.75

#### New Jersey Institute of Technology, Newark,

NJ BS, Civil Engineering, May 2022

GPA 3.5

## Sample Masters Student's Resume

**Julia Sanchez**  
123 Main Street  
Somerset, NJ 08873  
(732) 555-5555

[Julia\\_Sanchez3@gmail.com](mailto:Julia_Sanchez3@gmail.com)

**OBJECTIVE:** To secure a position in the field of Mechanical Engineering with an interest in design and operations.

**EDUCATION:** **New Jersey Institute of Technology, Newark, NJ**  
M.S. Mechanical Engineering, May. 2022 GPA: 3.45  
Master's Project: "*Kinematics Data of a Joint*"  
• MATLAB (MATLAB 6.2) animation project which determines the torque forces acting at the joint. B.S. Mechanical Engineering, May 2023 Major GPA: 3.65

**HONORS/AWARDS:** Dean's List multiple semesters, NJIT Provost's Scholarship (2022-Present)

**KEY COURSES:** Thermodynamics, Stress Analysis, Dynamic Analysis of Machines, Fluid Mechanics, Machine Design, Automatic Controls, Heat Transfer, Robotics & Controls

**COMPUTER SKILLS:** Pro/Engineer, AutoCAD, Matlab, MathCAD, MS Excel, MS Project, MS Word, Windows OS

### WORK EXPERIENCE:

**2020-Present** **Project Engineer (Co-op) – Biomerix Corporation, New York, NY**

- Worked as a member of the R&D team for the development of three different medical devices - rotator cuff patches, spinal annular closure device and polyurethane coated coils for treating cerebral aneurysms.
- Created engineering designs and drawings using Pro/Engineer for various medical devices and delivery systems.
- Developed testing protocols to support biomechanical, materials characterization, and other material performance testing.
- Performed mechanical testing on biomaterials used in various medical devices and also for FDA approved vascular occlusion device

**2017 – 2022** **Prism Construction, Somerset, NJ**  
**Field Engineer**

- Assisted Project Manager with daily construction reports, calculations, and construction work estimates
- Modified and updated project schedules using MS Project to ensure timely completion of all projects
- Tracked construction progress with respect to construction documents

**2016-2017** **Novartis Pharmaceutical, Bridgewater, NJ**  
**Field Engineer Co-op**

- Performed equipment/machinery inventory at various sites across New Jersey
- Assisted in designing machine parts using Pro-Engineer

**VOLUNTEER EXPERIENCE:** **Habitat for Humanity**

**PROFESSIONAL AFFILIATIONS:** **American Society of Mechanical Engineers (ASME)**  
**HOST/SHPE**
