NJIT Campus Champions Network

Campus Champions

Campus Champions Networks operate successfully at hundreds of universities across the United States. They serve as an invaluable resource for near and recent college graduates seeking to begin their careers. At NJIT additional Campus Champion roles can include college networking forums, service to advisory boards, career panels/programs, mentoring, and a resource to share information about scholarship programs.

Champion Mentors

Whether on a one to one basis or serving as a career mentor to a learning community, the time that you spend with NJIT students is an invaluable complement for career development. In-person and virtual mentoring opportunities are available.

Champion Networking

This annual event is a fun-filled evening allowing alumni the opportunity to share career and life experiences with each other and with our students. The outcome for our students is their becoming better prepared career networkers and professional communicators.

Champion Workplace Advocates

Stay actively involved with NJIT while facilitating an important staff sourcing and talent development role for your current employer. The workplace advocate strengthens the relationship between NJIT and your company. Join hundreds of engaged alumni who realize a tremendous benefit in promoting NJIT (1) as a top tier entry-level recruitment school and (2) as a resource for the design and delivery of customized on-site training and education programs which keep professionals at the cutting edge of skills and knowledge.

Champion Connections

Campus Champions are offered personal assistance in locating and accessing specific NJIT faculty, departments, student organizations, Continuing Professional Education, and NJIT business services.

Invitation to Special Forums

Gain corporate recognition by joining or sponsoring workshops, panels, presentations and information sessions. Campus Champions are given priority participation for CDS career seminars.

Champion Tool Box

All of the information needed to facilitate your Champion's role will be packaged for you in one easy-access web location. At your fingertips will be the CDS employer events calendar highlighting top events such as career fairs and on campus recruitment, NJIT enrollment data, rankings and graduation data, graduates' salary information, NJIT business resources, top employers listings, and the co-op supervisor's guide.

Our Pledge to Support You

Career Development Services is fully committed to delivering a highly productive and personalized experience for every Campus Champion. This added-value program is designed to recognize those alumni who maintain a consistent, ongoing relationship with NJIT.
