Why Companies Support Tri-County

CORPORATE SOCIAL RESPONSIBILITY is a priority of great companies. Employees, clients and shareholders value community participation and want to be a part of doing good, especially for those in greatest need. Tri-County Scholarship Fund provides quality, safer educational opportunities for the most vulnerable children in New Jersey, helping them to reach their full potential and effectively breaking the cycle of generational poverty.

■ The Power of Education

Educational opportunity addresses many problems of the inner-city by improving the labor force, adding to the strength of the community, and creating productive and financially independent citizens who give back to their own communities.

■ High-Performing Diverse Talent

Tri-County awards scholarships based on need without regard to race or religion. Companies tap Tri-County graduates as part of their talent and diversity strategies.

■ Donations are Leveraged

Tri-County provides partial scholarships. Families sacrifice to pay a portion of the tuition and have “skin in the game.”

■ High Efficiency

Tri-County has the highest 4-Star Charity Navigator rating.

■ Proven Track Record

Since 1981, Tri-County has awarded more than 38,000 scholarships, providing 500+ K-12 scholarships per year. (850 in 2024). These students have a 100% high school graduation rate (versus the average 50% graduation rate at many of New Jersey's inner-city public schools) and go on to excel in college and careers.
