## THANK YOU

### Dear NJIT Alumni and Benefactors:

On behalf of the NJIT community, I am pleased to share with you the 2019 Honor Roll of Donors. I hope that its arrival at your homes finds you and your loved ones staying healthy and safe during these difficult times.

The coronavirus pandemic has brought about unprecedented disruptions and challenges for all of us. Its impact has been widespread and far-reaching, touching every aspect of our individual and collective lives. It has also changed — at least temporarily, but possibly for much longer — many businesses and industries. Higher education is no exception. One recent study estimates that COVID-19 could lead to the closure of as many as 1,000 colleges and universities across the nation.

NJIT will not be one of them. In fact, our university will not just survive but continue to flourish — and it will flourish in large part because of the long list of benefactors highlighted in this special issue of *NJIT Magazine*.

In 2019, 5,976 alumni and friends contributed nearly \$17 million to the university, establishing 46 scholarships and adding \$6.5 million in gifts to the endowment. Among last year's gifts was the single largest in NJIT history, which resulted in the naming of the J. Robert and Barbara A. Hillier College of Architecture and Design. Just as important, a record number of alumni made a gift to their alma mater in 2019. These donations pushed the university's alumni giving rate to 10.3% — more than double the national median for public universities.

These generous philanthropic investments have strengthened the university in a host of critically important ways. They have helped to ensure that an NJIT education remains financially affordable for all deserving students and their families. They have contributed to the development of STEM-focused, career-relevant curricula. They have underwritten the renewal of the spaces in which our students learn, study, conduct research and prepare themselves to become tomorrow's innovators, problem-solvers and leaders. They have funded research that has pushed the frontiers of knowledge and improved human lives.

To all of you who have invested in our hardworking students, world-class faculty, cutting-edge programs and state-of-the-art facilities during the past year, thank you for your continued generosity. Because of you, NJIT's future remains exceedingly bright.

With gratitude and appreciation,

Kenneth Alexo, Jr., Ph.D.  
Vice President for Development & Alumni Relations  
President, Foundation at NJIT

*The Leadership Circle includes the Eberhardt Society – \$25,000 or more, Weston Society – \$10,000 to \$24,999, Founders' Club – \$5,000 to \$9,999, President's Circle – \$1,000 to \$4,999. In addition to the Leadership Circle, gifts are recognized at the Dean's Club – \$500 to \$999, Annual Fellow – \$100 to \$499 and Donors – up to \$99.*

*The Golden Highlanders — those who received their NCE degrees 50 or more years ago — represented the university's most senior and distinguished alumni at the 2019 Commencement ceremony.*

## COLTON SOCIETY

Established in 2020, the Colton Society is New Jersey Institute of Technology's premier giving society, recognizing alumni and friends whose lifetime contributions to the university exceed \$500,000. Named in honor of the founding director of Newark Technical School, Dr. Charles A. Colton, the Colton Society celebrates the spirit of innovation and achievement that has distinguished NJIT since 1881.

## 1881 SOCIETY

NJIT's planned giving benefactors play a very special role in supporting the university's growth and momentum. Individuals who make gifts in the form of trusts and annuities receive a lifetime income stream while providing financial support for the university's most pressing needs. Similarly, individuals listing NJIT as a beneficiary in their will, life insurance policy, or individual retirement account support generations of future students through the creation of endowed scholarships or by funding capital improvements throughout the campus. Our planned giving benefactors are recognized as members of the 1881 Society.

For information on becoming a member of the 1881 Society, please contact Beth Kornstein, Associate Vice President of Planned Giving, at 973-596-8548 or at bkornste@njit.edu.

*NJIT has renamed its College of Architecture and Design for J. Robert and Barbara A. Hillier to reflect the globally renowned architects' historic donation to the university. Their gift, the university's largest ever, will enrich the architecture and design program in many ways: with scholarships that diversify the pool of talented architects entering the profession and funds for the technology that will advance it, to name just two.*

# *With Gratitude*

The entire NJIT community extends special thanks to the members of the 1881 Society for their very generous investments in the university.

In the past year alone, 1881 Society members have given nearly \$8 million to NJIT, adding over \$3 million to the endowment.

The 1881 Society is NJIT's premier recognition group for alumni and friends who have included the university in their estate plans, have established life income-generating gifts,

or have made other planned gift arrangements.

More than 300 individuals belong to this exclusive group of benefactors, whose generosity provides funding for student scholarships, faculty research, campus enhancements and other initiatives.

On behalf of the students and faculty at NJIT, thank you!

For information on becoming a member of the 1881 Society, please contact us today.
