THANK YOU

Dear NJIT Alumni and Friends:

It is my great pleasure to share with you the 2020 edition of NJIT's annual Honor Roll of Donors. On behalf of the entire Highlander nation, and especially our hardworking students, I thank you for your generous support during what has been an unprecedented and very challenging 12 months.

As I sat down to write my letter for last year's Honor Roll issue of *NJIT Magazine*, I was faced mostly with the unknown. The unrelenting nature of the COVID-19 pandemic was not yet understood, nor was its potential impact on the U.S. and global economy. Perhaps just as important, the extent of the financial hardship that would be experienced by NJIT's students and their families was still far from clear, as was what their needs would mean for our university.

At the time, I wrote that "our university will not just survive but continue to flourish — and it will flourish in large part because of the long list of benefactors highlighted in this special issue of *NJIT Magazine*." I am both humbled and inspired by the truth of that statement again this year. NJIT's benefactors stepped forward in 2020 to ensure that our talented and determined students continued to have access to world-class faculty, cutting-edge academic and research programs and state-of-the-art facilities.

Last year, 5,390 alumni, friends and corporate and foundation partners collectively contributed \$13.6 million to the university. These generous philanthropic investments contributed to the development of STEM-focused, career-relevant curricula, such as the new major in FinTech in our Martin Tuchman School of Management. They supported the renewal of the spaces in which our students learn, study and conduct research, including the spectacular new Weston Alumni Lecture Hall in Hillier College of Architecture and Design and the chemistry and motion-capture research facilities in the Life Sciences and Engineering Center. They funded research that is pushing the frontiers of knowledge and improving human lives. And — through the establishment of 37 new scholarships and fellowships, as well as more than \$175,000 in gifts to the Highlander Student Emergency Fund — they helped to keep an NJIT education financially affordable for all deserving students and their families.

We look back at 2020 as a year that taught us to adapt, to respect the needs of our community and to find our inner resilience. To NJIT's very generous alumni, friends and corporate and foundation partners, I extend our heartfelt gratitude for your ongoing support, at a time when students and their families have needed it most. Please know that we have missed seeing you on campus this past year, and we look forward to welcoming you back in person very soon.

With gratitude,

Kenneth Alexo, Jr., Ph.D.
Vice President for Development & Alumni Relations
President, Foundation at NJIT

The Leadership Circle includes the Eberhardt Society — \$25,000 or more, Weston Society — \$10,000 to \$24,999, Founders' Club — \$5,000 to \$9,999, President's Circle — \$1,000 to \$4,999. In addition to the Leadership Circle, gifts are recognized at the Dean's Club — \$500 to \$999, Annual Fellow — \$100 to \$499 and Donors — up to \$99.

A Celebration of Hope, a virtual gala in honor of NJIT's students and recent graduates, was held March 25, 2021. Kim V. Vierheilg '99, '00 and Robert Medina '75 (above) co-chaired the program, which raised over \$325,000 in support of student scholarships.

NJIT's 32nd annual Scholarship Brunch was hosted online April 30, 2021, and included comments by Norma J. Clayton '81, member of NJIT's Board of Trustees and founder of the Jacqueline V. Brown Memorial Scholarship.

1881 SOCIETY

NJIT's planned giving benefactors play a very special role in supporting the university's growth and momentum. Individuals who make gifts in the form of trusts and annuities receive a lifetime income stream while providing financial support for the university's most pressing needs. Similarly, individuals listing NJIT as a beneficiary in their will, life insurance policy or individual retirement account support generations of future students through the creation of endowed scholarships or by funding capital improvements throughout the campus. Our planned giving benefactors are recognized as members of the 1881 Society.

For information on becoming a member of the 1881 Society, please contact Beth Kornstein, Associate Vice President of Planned Giving, at 973-596-8548 or at bkornste@njit.edu.
