Proposed Changes to the Faculty Handbook
Approved by Faculty Senate on 12 March 2015

Issue 1: Streamlining and Reorganizing the Faculty Handbook

Proposed principles:

1. **Deletion** of the following four sections or parts: Sect. 1.1 History and Development of the University; Sect. 3. Policies and Procedures regarding Student Affairs; Sect. 4. Miscellaneous Operational Policies and Procedures; Appendices

2. **Live links** to key documents on the NJIT website, including Board of Trustees Bylaws; all Shared Governance Documents; Department Bylaws (including Default Bylaws); Constitution of the PSA; University Code on Academic Integrity; university policy on class attendance; promotion and tenure documents located on the Provost’s website (with annual timelines, etc.); documents on faculty leaves located on the Provost’s website (i.e., sabbatical leave timelines and the policy on competitive fellowships); Active-Service Modified-Duties Policy (to be placed on the HR website). Using links instead of reproducing such documents within the Faculty Handbook itself will both streamline the Faculty Handbook and provide flexibility for making changes in policies and procedures.

3. **Reorganization** of the Faculty Handbook to improve its structure and sense.
   a. Current Structure
      1. The Institute and Its Administrative Organization
      2. Policies and Procedures Regarding Faculty and Instructional Staff
      3. Policies and Procedures regarding Student Affairs
      4. Miscellaneous Operational Policies and Procedures

   Appendices
   b. Proposed Structure
      1. University Administration and Governance
      2. The Faculty and Instructional Staff
      3. Academic Units and the Faculty
      4. Policies and Procedures regarding Tenure and Promotion
      5. Policies and Procedures regarding Teaching
      6. Faculty Development and Leaves of Absence
      7. The Role of the Faculty in Appointing and Evaluating Administrators

In the issues that follow, proposed new language is shown in track changes:

Issue 2: Endorsements [at the beginning of the Faculty Handbook]

The Faculty of the New Jersey Institute of Technology, upon recommendation of the Provost and the President of the University and approval of the Board of Trustees, sets forth the rules and regulations contained in this Faculty Handbook for its governance and guidance. The purpose of this handbook is to outline Faculty rights, privileges, responsibilities, and obligations and to facilitate effective communication among all components of the University to best support the University's mission. All changes to the Faculty Handbook must be approved by the Board of Trustees on the recommendation of the President of the
University, in accordance with the procedures set forth in the Constitution and Bylaws of the Faculty Senate.

**Item 3: Clarifying that a Faculty Member’s Request for Reconsideration of a Negative Decision by His/Her Department/Academic Unit P&T Committee Is Not an Appeal**

2.6.5.2.4.5 Reconsideration of a Negative Recommendation
A member of the Faculty who has held the rank of Assistant Professor or Associate Professor for at least five years and who has been eligible for consideration for promotion for at least two years, or who is in his/her last year of eligibility for consideration for tenure but has failed to receive a majority recommendation from his/her Department P&T Committee, may request and must be granted an opportunity to meet with the Department P&T Committee prior to the submission of its recommendations to the Dean. At this meeting, the Faculty member may present orally and in writing an appeal stating reasons why he/she believes a recommendation for tenure, and/or promotion is warranted.

2.6.5.2.4.6 Appealing a Negative Recommendation
If, after further deliberation, the Department P&T Committee upholds its original decision and if, upon notification (which shall be within one week), the affected Faculty member does not accept this decision, he/she may submit an appeal in writing, along with any pertinent material, to the Dean, who transmits it to the University Committee on P&T with an evaluation. This shall be done no sooner than one week and no later than eight weeks after the meeting with the Department P&T Committee, which must be advised of the Faculty member’s action. The Department P&T Committee may forward a report supporting its decision to the Dean, who transmits it to the University Committee on P&T with an evaluation. A minority report of one or more members may also be submitted. For promotion, the Faculty member may exercise the appeal procedure described above once every three years; for tenure, only in the last year of eligibility for consideration for tenure.

**Issue 4: Preparation of the List of Eligible Candidates [for Department Chairperson] (Sect. 2.5.2.5.1.1)**

2.5.2.5.1.1 Preparation of the List of Eligible Candidates
When the position of Department Chairperson is about to become vacant—either because the term of the current Chairperson is expiring or because the current Chairperson is unable to complete his/her term—the Dean of the College notifies the Provost, who selects an Elections Coordinator (EC) to oversee the process.

The EC circulates to all eligible voting Faculty in the Department a list of all Faculty who are eligible to serve as Department Chairperson. No later than ten business days from the date of this distribution, eligible Faculty members who wish to be candidates for Department Chairperson must notify the EC in writing of their intention.

**Issue 5. Appointment [of a Department Chairperson] by the Dean (Sect. 2.5.2.5.1.3)**

2.5.2.5.1.3 Appointment by the Dean
The Dean receives the nominee(s) of the Department and, with the approval of the Provost, appoints the new nominee as the chair or, in the case of a tie, one of the two nominees. If the Dean chooses not to appoint the department’s nominee, the case is remanded to the Provost.
If the Provost cannot bring about a resolution, the Provost and the Dean determine whether the department should hold a new election for an internal chairperson according to the Standard Procedure (Sect. 2.5.2.5.1) or conduct a search for an internal or external chairperson according to the Alternative Procedure (sect. 2.5.2.5.2). An Interim Chairperson may be appointed if necessary (Sect. 2.5.2.6).

**Issue 6: Procedures for Removing a Tenured Faculty Member (sect. 2.6.3.9)**

2.6.3.9 Removal Procedures
If conditions arise that, in the opinion of the President, may warrant removal of a tenured Faculty member, the Faculty member has the option of bringing the case before a special committee of five Faculty members chosen by the Faculty Senate. This committee will report to the Faculty Senate, which will decide on a course of action. The Faculty Senate will then submit its final report to the Board of Trustees, which will make a final determination.

**Issue 7: Composition and Voting Procedure in Department/Academic Unit Promotion and Tenure Committees**

In such instances, the Full and Distinguished Professors shall elect among themselves an Acting Chairperson of the Department P&T Committee for this purpose only. The Acting Chairperson shall assume all duties and responsibilities relating to these cases, including communications, actions, and appeals, and his/her appointment shall end as soon as these cases have been resolved.

After discussions of the qualifications of all candidates for promotion, tenure, reappointment and termination, the committee will vote on the candidates in accordance with the established criteria. Candidates for promotion and tenure receiving a majority will be recommended, with the numerical vote recorded. The vote of the Chairperson will be specified and included in any recommendation sent to the Dean. The individual votes of other members of the Department P&T Committee will not be identified.
