

This document describes a hierarchy for coding various levels of the NJIT and NJIT administrative structure. The hierarchy currently includes the following three levels:

Executive Level/Division/Department

Definitions of each Level:

Executive Level – The ten broad areas of responsibility at the university include:

- | | |
|--|---|
| EL1 President's Area | EL2 Provost and Senior Exec. Vice President for Academic Affairs |
| EL3 Dean of Students | EL4 Senior Vice President for Finance & CFO |
| EL5 Vice President for Human Resources | EL6 Vice President for University Advancement |
| EL7 Senior Vice President for Technology & Business Development | EL8 Vice President Real Estate Development & Capital Ops |
| EL9 University Wide | EL10 New Jersey Innovation Institute |

Division - A collection of departments within the university sharing a broad general purpose. The department heads normally report to a division head that is an individual at the Dean or Assistant/Associate Vice President Level.

Department - A well defined unit of activity or activities within the university with a common purpose supervised by a single individual (department head). Department heads are usually at the level of Director or Chairperson or above.
