</table>

Important: Due to the Christmas holidays, the estimated blackout dates for the December 22nd pay date are subject to change based on the payroll processing schedule. We will update this information as needed.

How to set up a direct deposit?

1. Log in to [www.njit.edu](http://www.njit.edu) using your NJIT UCID and password
2. Under Payroll Services card, select Create/Update Direct Deposit

Adding a New Account:

a) Click on “Add New”

b) Click “Create new”, enter Bank Routing Number (click “i”), Account Number (click “i”) and Select Account Type. Under Amount option, select either “Use
Remaining amount or select “Use Percentage” and enter 100%. Check the authorization box and Click “Save New Deposit”.

![Add Payroll Allocation](image)

c) When you add a new account, it will default to Prenote Status. Prenote means it has to go through the automated clearing house network to ensure that the account number is correct. The Payroll Office will contact you regarding any necessary updates. It normally takes one pay cycle for a new account to become active.

3. To set up additional accounts, repeat 1a thru Account type. Under Amount option choose either “Use Specific Amount” or “Use Percentage”. **It is imperative that at least one account be set to Remaining amount or 100%**.
4. If one of the accounts is not set to remaining or 100%, **system will generate a paper check for the remaining account**. Payroll will override the system to prevent a paper check. **Please see below screen shot.**

![Proposed Pay Distribution Table]

**Updating Current Allocations:**

5. Click on the down arrow in the Amount of the Bank Account you wish to update choose the appropriate option. Check the disclaimer box “I authorize the institution to initiate direct deposit or debits on my behalf.” and click “Save Changes”. **Remaining Amount or 100% allocation must be in the last Priority Account.**

**Deleting Accounts:** On the account line you wish to delete, check the box and click Delete; a box will appear asking, “Are you sure you want to delete the selected Payroll Deposits?” Click “Delete”.

6. You will receive an email stating that changes have been made to your Payroll direct deposit information.

7. Your changes will become effective with the next available payroll.
Accounts Payable Allocation (Non-Payroll Allocation)

This allocation is for non-payroll-related payments, such as tuition remission, travel or expense reimbursements, and student refunds. Only one account can be used for this type of allocation. You can easily choose an existing account from Payroll Direct Deposit Allocation or add a different bank account.

1. Click on “Add New” and choose the option.
