

SUMMER SAVINGS PLAN ENROLLMENT FORM

(For Ten-Month Employees Only)

Dear Employee,

Would you like to receive your salary over 12 months? If so, the Summer Savings Plan might be for you. The program provides continuous pay for ten-month faculty for the months they are off-payroll (usually June and July).

Below is an example explaining how the program works:

Summer Savings total distribution = \$8,000.00 (substitute your amount here) Total \$8,000.00 deducted over 20 pays = \$400.00 per payroll (deducted from August thru June) Total \$8,000.00 over 4 pays = \$2,000.00 (distributed during June and July)

If you want to enroll in the Summer Savings Plan, please complete the application below. The indicated deduction will remain in effect until we receive written notification indicating otherwise. For further information on the program, please get in touch with Antoinette Pittman at (973) 596-3161 or payroll@njit.edu.

Always use your NJIT email for communication. For data security reasons, we are unable to accept non-NJIT emails.
