## Untaxed Income 2018-2019

Your Free Application for Federal Student Aid (FAFSA) was selected for review in a process called “Verification”. Per federal and state laws, we are required to request this information before disbursing federal and state aid. This may result in changes to your estimated financial aid awards and expected family contribution (EFC). To verify that you provided correct information we will compare your FAFSA with the information on this worksheet and with any other required documents. If there are differences, your FAFSA information may need to be corrected. You and your parent (whose information was reported on the FAFSA) must complete and sign this form and submit with other requested documents to the Office of Student Financial Aid Services. All sections must be completed to avoid delays in the processing of financial aid. We may request additional documentation after the initial review.
