

21-22 COVID-19 Special Grading SAP Reasonable Determination Signature Page

Students who failed the annual Satisfactory Academic Progress (SAP) assessment at the conclusion of the Spring 2021 semester and had a COVID-19 related circumstance that impacted the assessment may complete this form to have their SAP recalculated in lieu of submitting a standard SAP Appeal. If it is reasonably determined that a COVID-19 related circumstance impacted the completion of courses with grades of NAD, I, and W, your SAP status will be recalculated to exclude those credits without going through the normal SAP appeals process. Please note AC grades are not included since students are given academic credit for such grades. Once you sign the signature page, upload it before submitting the online [COVID-19 Special Grading SAP Reasonable Determination form](#).

STUDENT INFORMATION

Student's Name

NJIT ID number

By signing below, I attest to the following:

- All the information reported on COVID-19 Special Grading SAP Reasonable Determination Form is complete and correct to the best of my knowledge.
- I have provided supporting documentation and if not, I have explained why such documentation was not provided.

You must print and sign this document by hand. Electronic signatures are NOT accepted by any means.
