

Why wait for the care you need now?

Did you know there's a convenient and affordable healthcare alternative when the Student Health Center is closed or you're away from campus? With Teladoc[®], you can be connected with a licensed physician in minutes, not hours like it might take at the ER or an urgent care clinic. And, you can get care from wherever you are: on or off campus.

THE NEXT TIME YOU'RE SICK, CONSIDER YOUR OPTIONS:

TELADOC

**Request a consult on
campus or at home**

**A doctor calls you
back in 16 minutes,

at a price you can afford**

VS.

ER OR URGENT CARE

**Drive to the nearest
location while sick**

**Potentially wait hours
before seeing the doctor**

**Pay high ER and
urgent care fees**
