Dear Members of the NJIT Community,

I am pleased to announce that our university has completed its Self-Study in preparation for our upcoming reaccreditation by the Middle States Commission on Higher Education. The document, endorsed by the Board of Trustees at their meeting on February 10, 2021, is available on the [OIE Middle States Accreditation webpage](#).

I would like to thank all those who participated in this process, identifying opportunities for continuous improvement and ensuring our compliance with the Commission's Standards for Accreditation and Requirements of Affiliation. In particular, I would like to thank the Self-Study Steering Committee and Working Groups who oversaw our self-assessment, compiled evidence, and drafted the chapters of the Self-Study. I would also like to thank the leadership team who kept our self-study efforts on track even during a global pandemic.

I invite all community members to read this document as we prepare for our virtual site visit by the Commission's visiting team on April 4<sup>th</sup> through 6<sup>th</sup>. Members of the visiting team will be meeting with various constituents throughout their visit to discuss our university and the findings of our self-study. I am confident that the end result will be a reaffirmation of our accreditation.

Thank you,  
Fadi

New Jersey Institute of Technology
