

NJIT is dedicated to improving your educational experience. A course you are enrolled in is part of NJIT's General Education Requirements (GER). This short survey will help us understand how students self-assess their attainment of the GER's outcomes. The findings will guide NJIT's ongoing efforts to enhance the GER curriculum and your learning experience. Please take three minutes to complete the survey.

Your responses will never be used to evaluate your performance or be linked to your final grades. Your participation is confidential and voluntary. All survey data will be held in the strictest professional confidence. Any personal identifying information will never be publicly linked to your survey responses. You may refuse to answer any questions that you do not wish to answer or stop the survey at any time.

Before receiving this survey, were you aware that this course satisfies a GER requirement?

(Select one option)

- Yes
- No

The GER requires that students to demonstrate proficiency in five general education literacies: computing, cultural, quantitative reasoning/mathematics, scientific, and social science. Before reading this statement, how familiar are you with NJIT's GER literacies?

(Select one option)

- Completely familiar
- Very familiar
- Somewhat familiar
- Slightly familiar
- Not familiar at all

The following questions are about your self-assessed writing and oral communication skills level.

General Education Requirement Fall 2023
