

NJIT Daily Parking

NJIT students, faculty, staff and visitors who require parking on an occasional basis may purchase daily parking. Daily parking vouchers are available for purchase as follows (all pricing includes sales tax and fees):

- In person **Bursar Window** QR code vouchers, **\$8.00**
- In lane **Credit Card Payment Kiosk** at Science & Technology Park Garage, 42 Wilsey Street only, **\$8.00**
- Online QR code passes via Highlander Pipeline / Daily Parking by **SpotHero**, **\$7.99**

Daily parking has been enhanced with QR code scanners to accommodate those who are participating in converged learning. Daily parking is intended for those who will be parking on campus occasionally and does not allow for multiple entries per day. Those who are regularly parking on campus are encouraged to purchase a semester's parking permit which will allow for unlimited entry for the entire semester. See <https://www.njit.edu/parking/parking-rules-and-regulations#registration> for more details on permit tags.

NJIT photo ID may be required at time of entry. Please have your photo ID card available at the time of entry. No overnight parking is allowed with any of the daily parking options. Violators will be subject to ticketing and towing. If you have questions about daily parking, please contact the NJIT parking office at 973-642-7190 or visit us on-line at www.njit.edu/parking.

QR code Scanners for Daily Parking Use

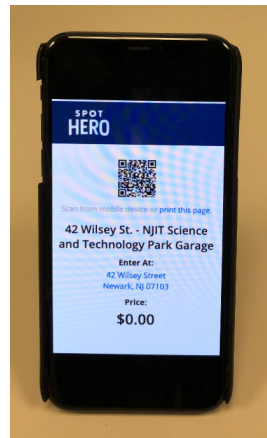

Starting in the Fall of 2020, new QR code system scanners have been installed in the Science & Technology Park Garage – STPG (42 Wilsey St) and the Summit Street Parking Facility - PARK (154 Summit St). These scanners will read a QR code located on your voucher or handheld device and will open the gate for one entry of parking. This automated method will eliminate the need to interact with officers at the gate. Simply present the pre-purchased QR code to the scanner for entry.

QR code via SpotHero

QR code Bursar Voucher

QR code vouchers are available for purchase in advance of use **online at SpotHero.com** (for students) or **in person at the NJIT Bursar window**.

Online Daily Parking via SpotHero.com

In order to facilitate social distancing, QR code daily parking vouchers are available for purchase online thru the **SpotHero** application that is accessible via Highlander Pipeline. These vouchers should be purchased in advance of use as follows.

Procedure (to be done **before** you drive to NJIT):

- Go to Highlander Pipeline: <http://my.njit.edu>.
- Select the "Daily Parking via SpotHero" link.
- Create a SpotHero account or continue as a guest.
- Enter your reservation information (date, time, vehicle and payment details) then submit your request.
- You will receive a QR code voucher via email for a one time use at: STPG (42 Wilsey Street) or PARK (154 Summit Street).

- Print the QR code or display it on your smartphone device.
 - The sizing of the QR code should be about 1 inch by 1 inch
 - Printed paper must be trimmed or folded so that the QR code can be inserted into the 4-inch wide scanner.
- Present the QR code into the scanner (face up) until you hear a beep.
- The parking gate will lift for one entry.
- Park as long as needed (for the day) then exit by 11:00PM (the exit gate will allow for free exit).

In Person NJIT Bursar Window Vouchers

QR code daily parking vouchers are available for purchase in person at the **NJIT Bursar window** located in the student mall (lower level of the Summit Street parking deck). Valid NJIT photo ID is required for Bursar window purchases and free thirty-minute parking is available outside of the Bursar's office to facilitate the purchase. These new daily vouchers contain a QR code for unassisted access at the parking gates.

Procedure:

- Buy the QR code voucher at the NJIT Bursar Window in advance of use
- Present the QR code to the scanner for access to the parking gate at STPG or PARK
- Park as long as needed (for the day) then exit by 11:00PM (the exit gate will allow for free exit)

Traditional (non-QR code) Daily Parking Vouchers:

Daily parking vouchers (without QR codes) that may have been purchased in the past are still valid. These traditional vouchers must be presented to a public safety officer at the entrance of the parking decks at STPG or PARK. At that time, the voucher will be validated and a stub will be returned to the holder for display on the vehicle's dashboard. The voucher is valid for one day's use. If an officer is not posted at the entrance of the parking deck at 154 Summit Street, please go into public safety and present the voucher to the front desk attendant. For STPG there is a guard booth at the entrance gate that is staffed 24/7. As of Fall 2020, these traditional vouchers are no longer being sold.

In Lane Credit Card Payment Daily Parking

One lane of the STPG, Science & Technology Park Garage located at 42 Wilsey Street is equipped with an in-lane credit card payment kiosk. This kiosk will allow daily parking payment via credit card only. This lane is to your right as you enter SPTG.

Procedure:

- Drive up to the credit card kiosk
- Follow instructions to purchase daily parking via credit card
- When you pull your voucher, the gate will allow for one entry
- Park as long as needed (for the day) then exit by 11:00PM (the exit gate will allow for free exit)
