*Math 101 placement for Communication, Cyber-Psyche, Theater, and Science, Technology & Society majors is based on the curriculum.
Math 105 placement for Law, Technology & Culture majors is based on the curriculum.
*Math 107 placement for Architecture, Digital Design and Interior Design majors is a first-semester course in the curriculum.

2. If you place in Math 107, Math 108 or Math 110, it is encouraged that you take action this summer in one of the following ways:

a. Retake the Math Placement Exam
   i. Contact placementtesting@njit.edu or call 973-596-8389 to schedule
   ii. There are online sample tests to help you practice and a calculator to estimate your placement according to your scores

b. If you did not place into a Calculus course, consider taking your pre-calculus course (MATH 107, MATH 108, MATH 110) you placed into during the summer here at NJIT and receive $500 off the course.
   i. If you are interested in taking the pre-calculus course here at NJIT, please email Mr. Christopher Carter (ccarter@njit.edu or 973-596-2978) and he will build your application for the summer, follow up with next steps to enroll, and qualify you for the grant.
   ii. For information about the course content, textbook, and academic support, please contact Mr. Ryan Baldwin (ryan.d.baldwin@njit.edu or 973-596-5373).

c. Take community college equivalent and transfer the class back to NJIT
   i. For most common equivalencies.
   ii. Always consult with an academic advisor prior to registering.
