TALENT SEARCH

NJIT

Dear Parent/Guardian or Student:

I am pleased to hear of your interest in the New Jersey Institute of Technology Educational Talent Search Program. For your convenience I have enclosed program flyers, and a Talent Search Application. To participate in Talent Search all parts of the application must be complete and should be returned directly to our office. Include with the application:

- Income verification as outlined in the program eligibility section of the application
- A copy of your child's most recent report card

WHAT IS TALENT SEARCH?

ETS is a federally funded program at the New Jersey Institute of Technology. It is a Pre-College Program that identifies and assists students from Newark Public Schools to take an active interest in developing and pursuing academic, career and personal goals. It is the intent of the program to provide students with the necessary skills and motivation needed to achieve academic success, graduate from middle to high school, and eventually enter college or some form of post-secondary training.

WHAT CAN TALENT SEARCH DO FOR ME?

Our services at Talent Search include academic and personal counseling, tutoring, field trips, college tours, academic and social skills workshops, and career exploration. At the heart of our program is our summer component, and our PARCC and SAT preparation classes. These classes are designed to inform students of the importance of these exams, improve their scores, and ease some of the anxiety that accompanies the exams. Students have the opportunity to work directly with their instructors on improving their specific weakness. To supplement these classes there is the availability of computerized basic skills and SAT programs for students to use.

HOW CAN I GET INVOLVED?

If you would like for your child to participate, please complete the attached application packet and return the forms as soon as possible. If you have any further questions or concerns about Talent Search please feel free to stop by our office or call at (973) 596-8480.
